

Stairway replacement at 15th Ave W & W Bertona St begins mid-January

PROJECT UPDATE

To improve pedestrian safety and accessibility, Seattle Department of Transportation (SDOT) crews are replacing the stairway at 15th Ave W & W Bertona St. Crews plan to begin work the week of January 9.

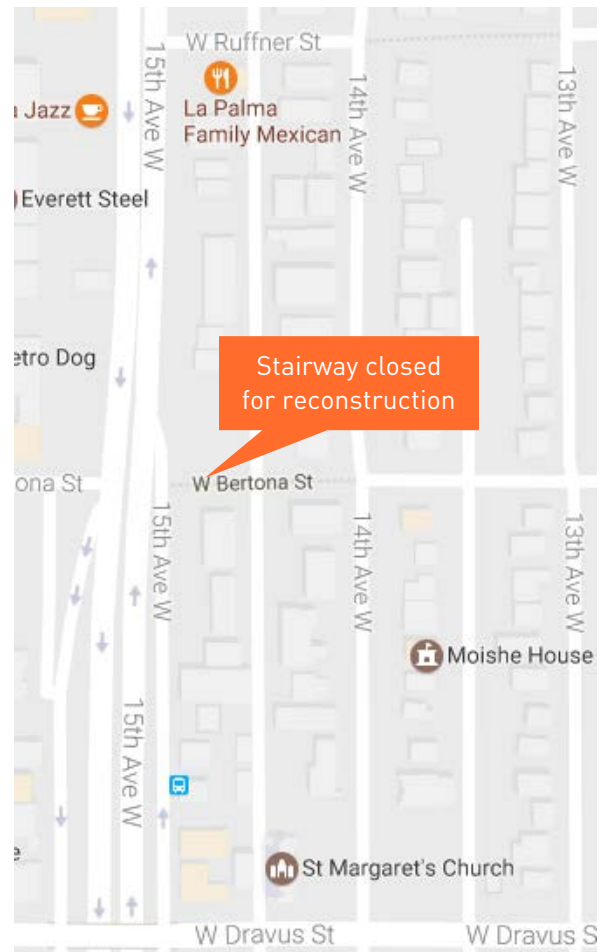

PROJECT IMPROVEMENTS

Improvements include:

- Removing and replacing the existing stairs with a new 5-foot wide staircase made of reinforced concrete, with even heights for each step
- Replacing the landings
- Installing new handrails on each side, with a second handrail at a lower height to accommodate adults and children

CONSTRUCTION SCHEDULE

The stairway is scheduled to be fully closed starting mid-January through late February. Please note that the timeline is weather dependent.

Existing stairway at 15th Ave W & W Bertona St

This project is funded by the 9-year Levy to Move Seattle, approved by voters in 2015.

WHAT TO EXPECT DURING CONSTRUCTION:

- Typical work hours between 7 AM and 3:30 PM on weekdays
- Noisy work activities including concrete breaking and backup alarms required for safety
- Lane restrictions at bottom and top of stairway during work
- Pedestrian detours around the work zone
