

## **Magnolia Bridge Replacement Project Environmental Justice Briefing**

**Group/Organization:** Trident Seafoods  
**Date:** October 15, 2004 – 1:00 pm – 2:00 pm  
**Location:** Trident lunchroom  
**Team Members:** Kirk Jones, Sarah Brandt, Kathleen Dowd-Gailey

---

### **Overview**

SDOT hosted a pizza party at Trident Seafood as part of its environmental justice outreach strategy. Kirk provided a brief presentation, and a member of Trident's staff translating in Vietnamese for some attendees. Kathleen Dowd-Gailey was also present to help with any Spanish translating needs. Fact sheets were provided in English, Spanish, and Vietnamese.

Staff at CityIce, International Packers, and Anthony's Seafood were invited to the Trident briefing, as well as offered the opportunity to hold a separate pizza party. The three companies declined, but translated materials, including signs for the October 26, 2004, Open House, were provided to CityIce and International Packers.

### **Questions/Comments**

- How will bus service be affected by the bridge project?
- How will demolishing the tank farm impact access to Trident?
