NORTHGATE NEIGHBORHOOD GREENWAY
Join us at an upcoming event to learn more about our most promising route for the Northgate Neighborhood Greenway and tell us what you think.

The neighborhood greenway will give people walking and biking a calmer route between Northgate and Maple Leaf. Based on community feedback, we’re also planning a Phase 2 buildout for the neighborhood greenway pending available funding in the coming years. This route would connect to the Pinehurst neighborhood and Hazel Wolf K-8 School.
