PROJECT DESCRIPTION
Early next year, the Seattle Department of Transportation (SDOT) plans to repave about 6 miles of Swift Ave S, S Myrtle St, and S Othello St between S Albro Pl and Martin Luther King Jr Way S. See the back page for more details.

This project will:
• Repave and restripe Swift Ave S, S Myrtle St, and S Othello St between S Albro Pl and Martin Luther King Jr Way S
• Install a new protected bike lane along Swift Ave S and S Myrtle St between S Albro Pl and Martin Luther King Jr Way S
• Install and upgrade curb ramps to be complaint with the Americans with Disabilities Act (ADA)
• Relocate pedestrian push buttons to accommodate ADA curb ramps
• Replace traffic detection loops that control signals
• Make bus stop improvements in some places

BENEFITS
We believe it is important to maintain our streets. Our Paving Program helps take care of the basics by rehabilitating arterials each year.

Arterial streets are primary routes that connect neighborhoods, communities, and businesses districts to one another and the regional transportation network.

Keeping our transportation system in good repair helps lower the cost of future maintenance and extends the useful life of our roads.

SCHEDULE
The project is currently in early design. We expect construction to begin in early 2018.

OUTREACH
Our goal is to keep you updated on the design progress. Over the next several months, we will be talking to the community at neighborhood events.

If you would like to request a briefing or learn more, contact us using the information below.
