

Night work on S Columbian Way and S Alaska St scheduled to begin Monday, April 8; eastbound traffic detoured at night

Starting as early as Monday, April 8, crews will begin grinding the top several inches of asphalt on S Columbian Way and S Alaska St between Beacon Ave S and Martin Luther King Jr. Way to prepare for paving (see map on next page).

You can anticipate:

- **Work hours from 7 PM to 7 AM Monday, April 8 through Friday, April 12** while crews work to minimize disruptions as much as possible.
- **Grinding to take about 4 night shifts to complete**
Crews will focus work on one side of S Columbian Way/S Alaska St to maintain one lane of westbound traffic, then flip to the other side of the street.
- **Street repairs**
Following grinding, crews will be making additional repairs to the road, including casting repairs, concrete base repairs, and asphalt base repairs. This work will happen during the day and will be noisy.
- **Paving work**
Scheduled for the week of April 15, following grinding work. This work is weather dependent. Traffic control will remain the same for this work.

Once paving is complete, temporary striping will be installed.

Example of crews grinding the street

During night work, 7 PM and 7 AM, eastbound traffic closed between Beacon Ave S and Martin Luther King Jr. Way

- Eastbound traffic will be detoured, westbound traffic will be maintained.
- Limited turns to / from driveways where grinding is happening. Driveway access may be disrupted for 30 to 45 minutes as the grinding machine passes.
- Access to S Columbian Way/S Alaska St from side streets will be closed. Please access side streets from S Ferdinand St.
- Access to cars for people walking will be maintained when parked in driveways and on side streets; please use designated crossings for your safety.

Actions for residents and businesses

- For your safety and the safety of our crews, keep away from the area while work is in progress, especially if you are with children or animals.
- We realize the inconvenience this work creates and appreciate your patience. **Please contact the outreach team immediately if you have any accessibility needs or questions.**
