

S COLUMBIAN WAY

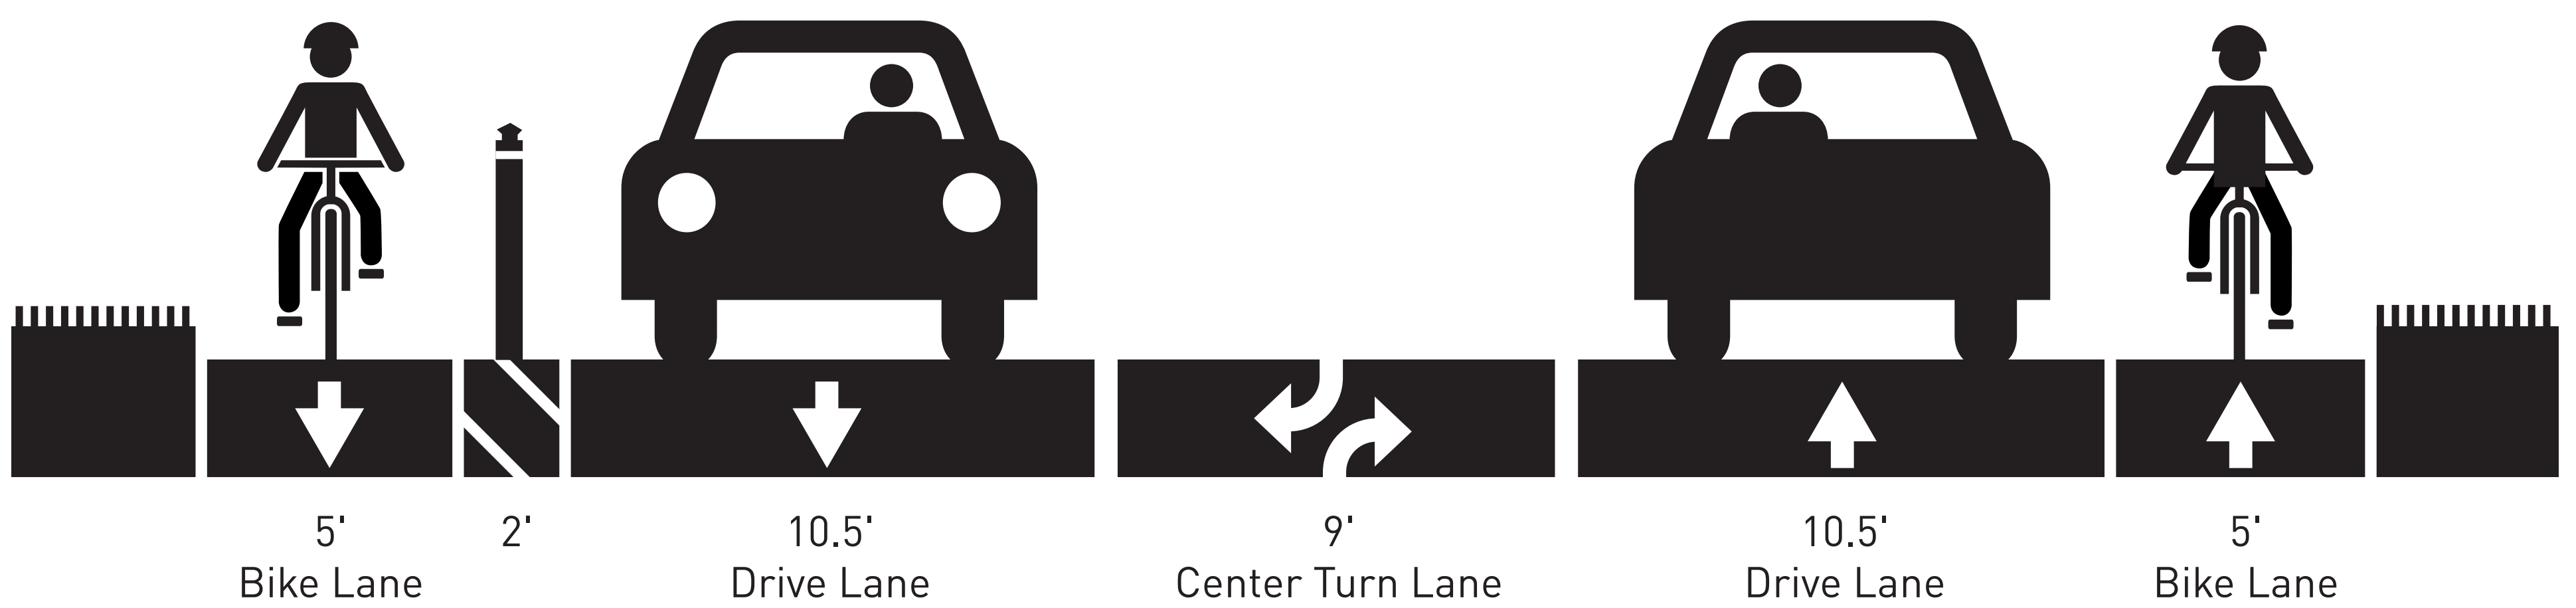

PROTECTED BIKE LANE OPTIONS

We'd like to upgrade the bike lanes connecting 15th Ave S with the new bike lanes being added to S Columbian Way (between Beacon Ave S and MLK Jr Way S) when we repave it as early as 2018.

Help us figure out how.

OPTION 1

One protected bike lane

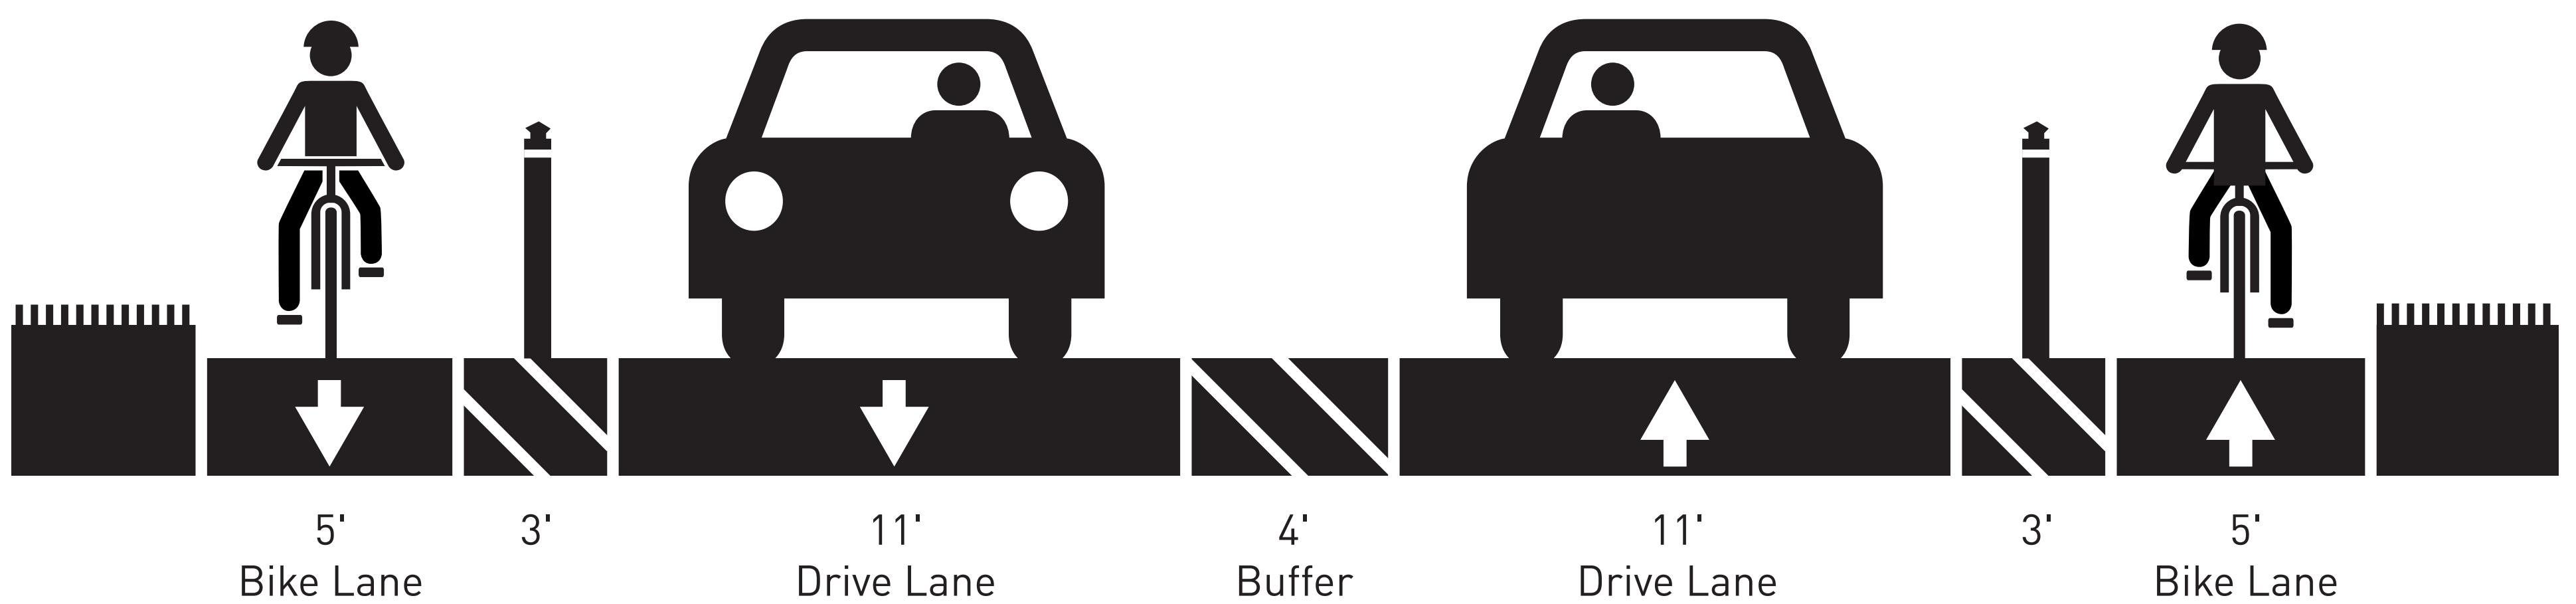

OPTION 2

Two protected bike lanes with center turn lane from S Snoqualmie St to 16th Ave S

Two protected bike lanes with center lane removal from Beacon Ave S to S Snoqualmie St

S COLUMBIAN WAY PROTECTED BIKE LANE PROJECT

- Standard bike lanes
- 107 crashes (2012-2016)
- 4 crashes included people biking and 3 people walking
- 3 bus stops on north side, 2 on south side
- Average weekly daily traffic is 15,900 vehicles
- 31 MPH in 50th percentile/35 MPH in 85th percentile
