Funding comes from the 2015 voter-approved, 9-year Levy to Move Seattle, which will improve safety for all travelers, maintain streets and bridges, and invest in reliable, affordable travel options for a growing city. The levy includes \$24 million to continue the Neighborhood Street Fund program over the 9 years.

A panel of community leaderas, project staff, and local artists selected local artist Vicki Scuri to develop public art for Aurora Ave N between N 85th St and N 105th St.
