Stay Healthy Streets
Working with the community to rethink streets and sidewalks
Making life easier during COVID-19

Stay Healthy Streets are open for people to walk, bike, and play and closed to pass through traffic.

LOCAL ACCESS ONLY
Go Slow and Share the Road

7. Central District
8. Alki Point
9. West Seattle/High Point
10. Delridge-Highland Park
11. Beacon Hill
12. Rainier Valley
What do they look like?
What we’re seeing and hearing

• People generally stay 6 feet apart
• Kids use the street
• Lower car speeds and volumes
• More people biking
• Helps people who are in wheelchairs and using canes
What we’re learning

• Unclear when people can drive
• Signs were sometimes moved or blown down
• People have experienced racism when driving on streets
• Shift outreach to include more Black, Indigenous, and People of Color
What we’ve changed
Would you like Stay Healthy Streets to continue?

After COVID-19, we can make Stay Healthy Streets permanent.

Schedule

Spring 2020
Emergency response—26 temporary miles installed

Winter 2020 / Spring 2021
Talk to community on where to install up to 20 permanent miles

By end of 2021
Install up to 20 permanent miles
We want to hear from you

• How do you feel about the temporary Stay Healthy Streets?
• Have you used them?
• Did you feel safe?
• Can Stay Healthy Streets improve your community?
• Where should they be made permanent?
