

CONSTRUCTION NOTICE

December 2019

Lowell-Meany Greenway & School Safety Project construction starting as early as Monday, December 16

PROJECT OVERVIEW

We're making safety improvements as part of our [Safe Routes to School \(SRTS\)](#) program to make it safer and easier for kids to walk and bike to Lowell Elementary and Meany Middle School. These improvements will create a new neighborhood greenway linking the two schools.

WORK AT 12TH AVE E AND E ROY ST

As soon as **Monday, December 16**, we will install accessible curb ramps, a new Rapid Flashing Beacon, and pavement repairs on the west side of the intersection. To complete this work safely and efficiently, E Roy St will be temporarily closed on the west side of the intersection (See map below and right.) Once we have completed work on the west side, we will transition to the east side of the intersection.

Thank you in advance for your patience during this work!

CONSTRUCTION SCHEDULE

Construction is anticipated to start as early as **Monday, December 16, 2019** and last approximately **8 weeks**. This schedule is weather dependent and subject to change.

WHAT'S NEXT

Once work is complete at 12th Ave E and E Roy St, we will continue work along the route. Please check the project webpage for updates and more schedule details.

WHAT TO EXPECT

We will minimize construction impacts as much as possible. During construction, please expect:

- Typical weekday work hours of 7 AM – 5 PM, Monday through Friday
- Noise, vibrations, dust during work hours
- Temporary closure to through traffic of E Roy St between the west alley and 12th Ave E
- Signage and flaggers to direct people around the work zone, including temporary detours
- "No Park" signs placed in work area 72 hours in advance of work starting
- Equipment and materials in the work area
