- The company name **must be consistent** with all other RPRC documentation we have on file (certificate of insurance, WA State Contractor's license, City of Seattle business license, company letter on letterhead);
- If your company is incorporated (Inc.) or formed as an Limited Liability Company (LLC), the bond should reflect the full legal name of the company, and the name needs to still be consistent with the remaining RPRC documents;
- If you are a sole proprietor or "doing business as", both your full legal name and the full legal name of the DBA company should be on the bond;
- Make sure all required signatures and notarizations are complete--incomplete bonds will cause approval delay;

- **NOTE:** This bond will expire in the RPRC database every three (3) years from the date that the surety company signed the bond form (bottom of Page Two); at which time you will be required to submit another bond on our current bond form.
