SUBJECT: 32nd Ave NE and NE 140th St Mural and Street Improvements

Dear Neighbor,

We wanted you to be aware, the Seattle Department of Transportation (SDOT) is planning to install stop signs and painted curb bulbs at the intersection of 32nd Ave NE and NE 140th St. We've heard from neighbors and observed speeding and cut-through traffic on 140th and these changes will make this intersection safer and more comfortable to cross. With the painted curb bulbs and parking changes, we will also install a pedestrian walkway along the north side of NE 140th St connecting 32nd Ave NE to the sidewalk being constructed by others mid-block.

After we have made the intersection safer and easier to cross, your community is planning to install a painted intersection mural. This mural is a partnership with the [Lake City Collective](#).

What does this mean for you:

- New stop signs on each leg of the intersection (likely in late August)
- New painted curb bulbs (likely in late August)
 - **Street parking inside the new painted curb bulbs and 30 feet from each stop sign and will be removed (see images on reverse)**
- Temporary road closures on 32nd Ave NE and NE 140th while the mural is being installed (likely September)
- New back-in on-street parking on NE 140th St east of 32nd Ave NE (see image on reverse)
- New speed humps on NE 140th St (after the mural is painted)
- New pedestrian walkway on NE 140th St (Fall 2021)

Please feel free to contact us if you'd like to be involved in painting the mural, or if you have any questions or concerns, (206) 735-8295 or email: StayHealthyStreets@Seattle.gov

Sincerely,

Jules Posadas
Seattle Department of Transportation
