

CONSTRUCTION NOTICE

January 2019

Construction starts Thursday, January 3 at 14th Ave/E Columbia St

PROJECT OVERVIEW

We will begin installing crossing improvements on the west side of E Columbia St at 14th Ave as soon as Thursday, January 3. Once the west side is complete, crews will complete improvements on the east side of the intersection. To complete the work safely and efficiently, the E Columbia St at 14th Ave will be closed to through traffic. This work is expected to last approximately 8-10 weeks and is weather dependent. The new curb ramps and curb bulbs improve visibility and shorten crossing distances for those walking in the area.

Thank you in advance for your patience during this work!

WHAT TO EXPECT

During this work, please expect:

- Side street temporarily closed to through traffic
- Occasional lane restrictions and/or pedestrian detours
- Signage and flaggers to direct people around the work zone
- Equipment, materials, and noise near the project area
- "No Park" signs in work area 72 hours in advance of work
