

## Clay St/Alaskan Way Crossing Improvements: Work starting as soon as late May

### PROJECT OVERVIEW

Starting as soon as Tuesday, May 14, we may begin preparing the work site for installation of new curb ramps and crosswalks at Clay St and Alaskan Way. Crews may be on-site for a few days, then return in a few weeks to complete the improvements.

To complete work safely and efficiently, we will temporarily close Clay St on the east side of Alaskan Way. During work hours please expect a single lane of traffic on Alaskan Way in each direction.

### SCHEDULE

Construction is expected to start as early as mid-May and last approximately 4-6 weeks. Normal work hours are 7 AM to 5 PM, Monday through Friday. This work is weather-dependent, and the schedule is subject to change.

### WHAT TO EXPECT

We will minimize construction impacts as much as possible. During this work, please expect:

- Detours to Vine St and Broad St for people walking, biking, and driving
- Local access to Clay St on the west side of the Elliott Ave/Clay St intersection
- Temporary lane closures in place on Alaskan Way during work hours; signage and flaggers to direct people around the work zone
- Noise, vibrations, and dust during work hours, Monday through Friday, 7 AM – 5 PM
- Equipment and materials near the project area
- “No Park” signs placed in work area 72 hours in advance of work starting

Improvements at Clay St/Alaskan Way. Image not to scale.
