30th Ave S crossing improvements starting as early as Monday, March 25

PROJECT OVERVIEW
In 2019, we will make crossing improvements to several intersections throughout Seattle to improve safety and access for people walking, biking, and driving. The improvements along 30th Ave S and S Graham St include new curb bulbs and a Rapid Flashing Beacon. This work will improve the connection to the nearby Chief Sealth Trail. To complete work safely and efficiently, 30th Ave S will be closed to through traffic between S Graham St and S Raymond St.

Thank you in advance for your patience during this work!

SCHEDULE
Construction is expected to start as early as Monday, March 25 and last approximately 4 - 6 weeks. Crews will generally work 7 AM to 5 PM, Monday through Friday.

If you need this information translated, please call (206) 900-8725.

WHAT TO EXPECT
We will minimize construction impacts as much as possible. During construction, please expect:

- 30th Ave S will be temporarily closed to through traffic
- Lane restrictions and/or pedestrian detours; signage and flaggers to direct people through work zone
- Noise, vibrations, and dust during work hours, Monday-Friday 7AM – 5PM
- Equipment and materials near the project area
- “No Park” signs placed in work area 72 hours in advance of work starting

WHAT TO EXPECT
