

## 35th Ave SW crossing improvements starting as soon as early February: SW Kenyon St

### PROJECT OVERVIEW

In 2019, we are making crossing improvements to enhance safety and access for people walking, biking, and driving at 3 intersections along 35th Ave SW (see map on reverse). These improvements support the City’s Vision Zero program and address one of the top streets in the City for serious crashes and enhance safety and access for people walking, biking, and driving.

### WORK AT SW KENYON ST

Starting as soon as early February, we will install accessible curb ramps and make drainage and pavement repairs (see map). To complete work safely and efficiently, SW Kenyon St may be closed to through traffic at 35th Ave SW. This work will last approximately 6 - 8 weeks. The schedule is weather-dependent and subject to change.

### WHAT TO EXPECT

We will minimize construction impacts as much as possible. During construction, please expect:

- SW Kenyon St may be temporarily closed to through traffic
- Lane restrictions and/or pedestrian detours
- Signage and, during work hours, flaggers to direct people around the work zone
- Noise, vibrations, and dust during work hours, Monday – Friday, 7 AM – 5 PM
- Equipment and materials near the project area
- “No Park” signs placed in work area 72 hours in advance of work starting

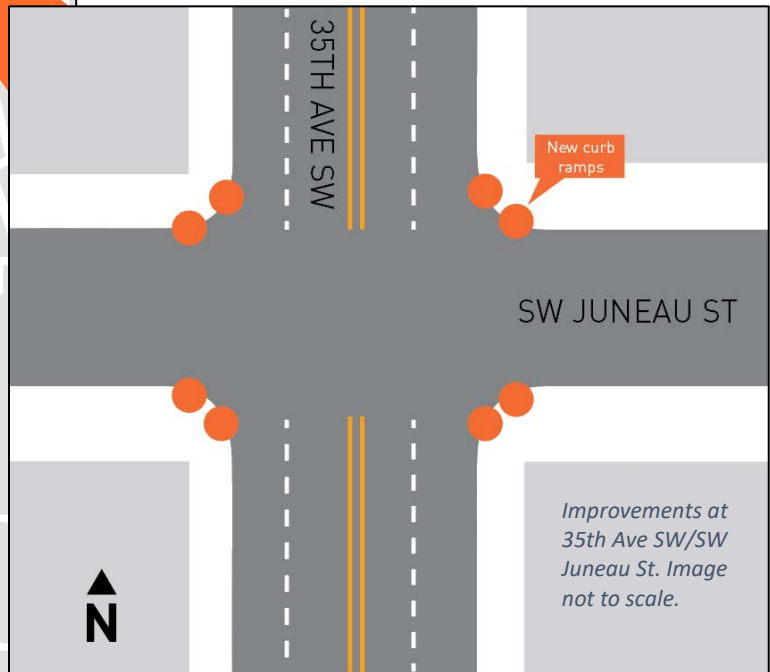

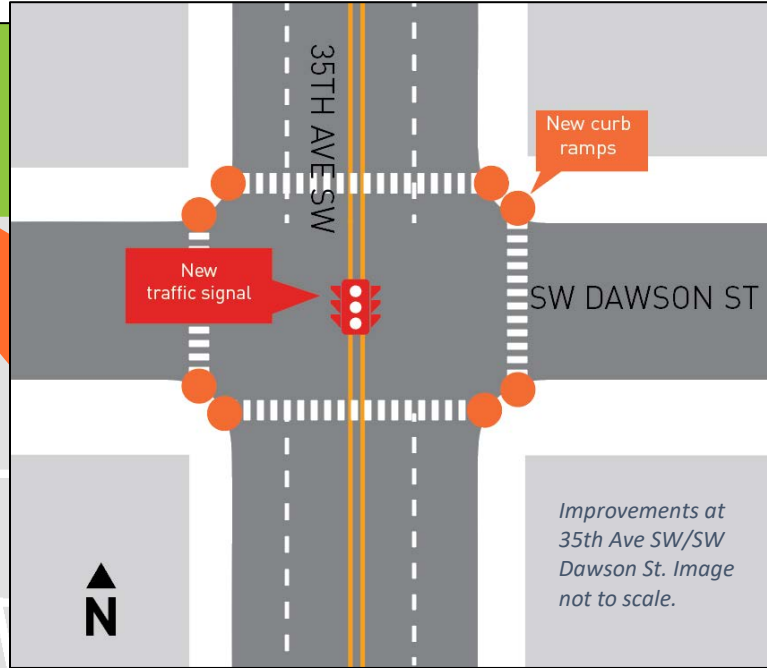

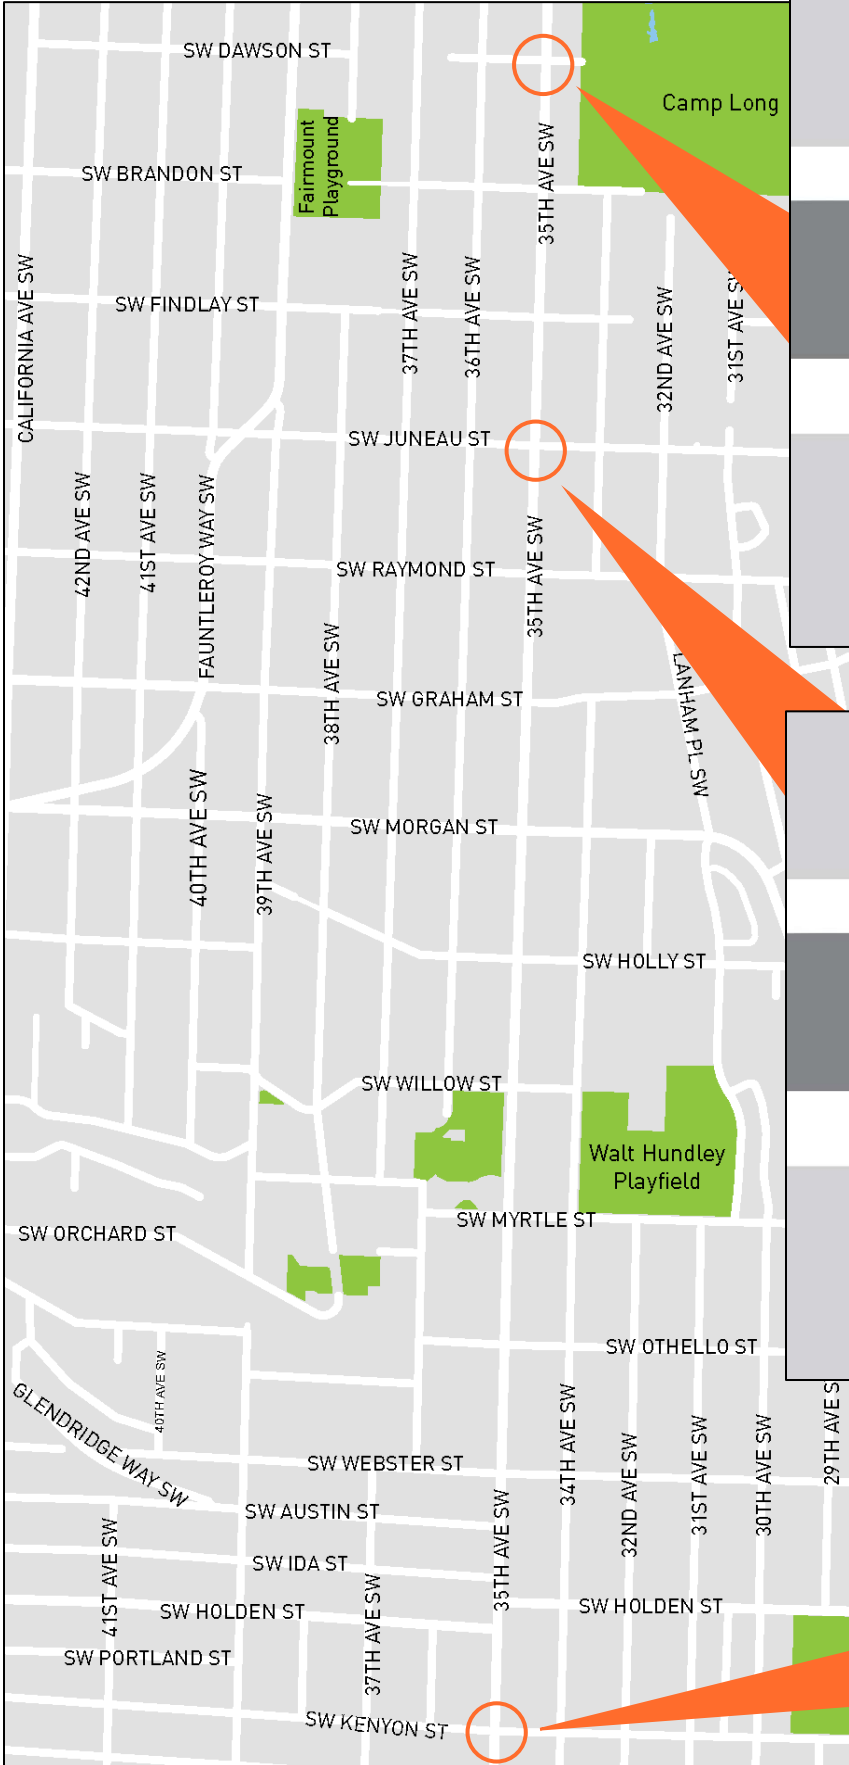

Improvements at 35th Ave SW/SW Kenyon St. Image not to scale.
