RapidRide Rainier Line

Spring 2018

This RapidRide line is part of a larger transit network that connects various neighborhoods in Seattle, including

- 3rd Avenue
- 23rd Avenue
- Mt. Baker Transit Center
- Beacon Hill
- White Center
- Rainier Beach Station
- South Park
- International District
- King Street Station
- Elliott Bay

This line provides rapid, efficient, and reliable transportation, connecting residents to jobs, schools, and other destinations. It is part of King County's effort to improve public transportation and reduce traffic congestion.
