

**2017 Spot Sewer Rehabilitation and 5th Avenue S Sewer Replacement Project
SEPA Determination of Non-Significance (DNS)**

Description of Proposal

SPU's Spot Sewer Rehabilitation Program is used to relatively quickly resolve small wastewater and drainage problems throughout City of Seattle. These problems range from nuisance problems to property damage. Generally, the Program repairs broken sewer pipes (and sometimes storm drains) in City-owned street rights-of-way or City easements on private property. This "spot repair" work typically includes (but is not limited to) excavation, replacement of broken pipe segments and pipe fittings, bedding, disposal of excavated material, dewatering, backfilling, closed-circuit television inspection after repair is done, bypass pumping of drainage and wastewater, and restoration of disturbed ground and damaged and demolished paved surfaces. To obtain efficiencies in the contracting and construction of these repairs, SPU bundles individual, unrelated spot repairs and full line sewer replacements into a single construction bid document. Contractors then bid on the packaged set of repairs and the successful bidder conducts the repairs as specified in contract documents. This proposed project addresses five sites involving work on sewers that are larger than 12 inches in diameter that are part of the proposed 2017 Spot Sewer Repair Contract 1: Sites 1 and 13, Contract 3: Sites 6 and 8 and the 5th Ave S. Sewer Replacement.

Proponent

Seattle Public Utilities
Seattle Municipal Tower Suite 4900
P.O. Box 34018
Seattle, WA 98124-4018

Location of Proposal

Contract 1 Site 2 is located within the paved roadway of the 4000 block of 49th Ave. S. Contract 1 Site 13 is located within the paved roadway of the 9400 block of Myers Way S. Contract 3 Site 6 is located on NW Carkeek Park Road near 8th Ave. NW. Contract 3 Site 8 is located on the 3600 block of S Adams St. The 5th Ave. S. Sewer Replacement project is in the City of Seattle's South Park neighborhood, in the street right-of way for 5th Ave S between S Henderson St and S Concord St and between S Donovan St and S Trenton St. There is no specific address for this project, which is in the northwest and southwest quarters of Section 32, Township 24N, Range 4E.

Lead Agency

Seattle Public Utilities, the lead agency for this proposal, has determined that it does not have a probable significant adverse impact on the environment. An environmental impact statement (EIS) is not required under RCW 43.21C.030(2)(c). This decision was made after review of a completed environmental checklist and other information on file with the lead agency. This information is available to the public on request.

This Determination of Non-Significance (DNS) is issued under WAC 197-11-340(2); the lead agency will not act on this proposal for fourteen (14) days from the issuance date below.

A copy of the environmental checklist is available at:

- Seattle Public Utilities, General Manager/CEO's Office Main Reception Area, Seattle Municipal Tower, Suite 4900, 700 Fifth Avenue, Seattle, Washington
- Seattle Central Library, Public Review Documents, Level 5 Reference
- Online at <http://www.seattle.gov/utilities/documents>

Public and Agency Comments

Comments on this DNS must be submitted by August 26, 2019 and must be sent to:

Kevin Buckley, SEPA Responsible Official
Seattle Public Utilities
Seattle Municipal Tower, Suite 4900
P.O. Box 34018
