

# Ship Canal Water Quality Project

## What's happening in East Ballard?

### The Ship Canal Water Quality Project includes the following elements in East Ballard:

- New pipes to convey polluted stormwater and sewage from the combined sewer system to the tunnel at 11th Avenue NW and NW 45th Street
- Drop shaft to collect flows entering the tunnel near 11th Avenue NW and NW 45th Street

### What to expect during construction?

- Lane closures on 11th Avenue NW and NW 45th Street
- Possible Burke Gilman trail detours
- Increased truck traffic and noise
- Project neighbors and stakeholders will receive notice of work happening in the area

## Projected East Ballard timeline
