NO PLASTIC BAGS. NO PLASTIC. NO METAL. NO GLASS. NO PET WASTE.

Kitchen Food Waste Containers and Bags

No plastic bags or plastic containers in the food and yard waste cart.

Food can be dumped directly in the cart.

Here are ways to store & carry food scraps to the cart.

Paper bags

Newspaper

Bags labeled as "Compostable"

These bags look like plastic but are made of plants so they decompose in industrial composting facilities.

Sample reusable containers
Compostable bag liner optional.
