To: Tom Rasmussen, City of Seattle Transportation Committee Chair  
From: City of Seattle Bicycle Advisory Board  
Re: Transit Advisory Board Resolution

The full membership of the City of Seattle Bicycle Advisory Board supports the Resolution to establish a Transit Advisory Board.

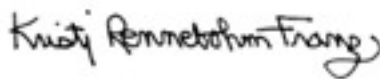

In our commitment to equitable, coordinated Multi-Modal Transportation Level of Services, we collaborate with the current Pedestrian Advisory Board and the Freight Transit Board.

We look forward to being able to also collaborate with a Transit Advisory Board. Many people who choose to ride bicycles for transportation into and within Seattle combine both transit and bicycle modes to move safely, efficiently, and economically to and from their destinations.

Thank you for your leadership and positive vote on the Resolution for a Transit Advisory Board and for taking that Resolution forward to a positive vote by the City Council.

Sincerely,

Kristi Rennebohm Franz, Co-Chair      Jeff Aken, Co-Chair

The Seattle Bicycle Advisory Board shall advise the City Council, the Mayor, and all departments and offices of the city on matters related to bicycling, and the impact which actions by the city may have upon bicycling; and shall have the opportunity to contribute to all aspects of the city's planning processes insofar as they relate to bicycling.
