Low-Income/Senior/Disability Cable TV Discount

IMPORTANT NOTES

- For both Comcast and Wave customers, the cable discount amount is equivalent to 30% of the price of Comcast's *Limited Basic* TV service. As of **May 1, 2019, this equals a \$5.17/month** discount. If you have a higher level of TV service, you would receive the \$5.17/month off that service price.
- The cable discount program applies *only to* cable TV service. It does not apply to Internet or phone.
- **If you already receive any kind of discount from your cable provider (e.g., a promotional rate or discounted bundle rate), the cable company will not apply an additional discount until your existing promotion or discounted package expires.**
