Brought in map showing AAC and table of projects

Looking for projects that we are interested in hearing about

Dawn Schellinberg- communications contact for private projects

To provide meaningful input, best time to comment is 2017-2018 (has project manager assigned) on design, when input will be taken into consideration

2020 or after-probably not worth thinking too much about design

Send comment to DRD director

Art to recommend that updates be sent to Howard or Joanne

Action/ questions:

Project development team (Darby) to give overview on projects in early design

SPU—oversees/ designs pedestrian side of it—are they coordinating with SDOT?

Who is a good point person for SPU (Names from Canal project)
