[Portage Bay Park](#), located on NE Boat Street on the southern edge of the UW campus, will provide small gathering areas, picnic spots and informal recreational opportunities. It will also include hand-carried boat access, natural shoreline habitat, and interpretative and educational elements. Last fall, Seattle Parks and Recreation presented to the community several design concepts for Portage Bay Park. Based on feedback, Seattle Parks has developed a preferred design alternative. Join the project team to learn about the proposed park design and provide your feedback.

Chemical Sensitivity Awareness

Some Commissioners have multiple chemical sensitivities. Low levels of various chemicals make them sick. This problem is increasingly prevalent in today's work environment. Please help to protect the health and comfort of those attending our Commission meetings by minimal use or voluntarily eliminating the use of such things as:

Perfume
Shampoo

Heavily Scented

Cologne/After Shave

Scented Fabric Softener

Scented Hand Lotion
Products

Highly Scented Hair

Your Help Is Greatly Appreciated
