**Land Acknowledgement**

We would like to begin this event by respectfully acknowledging that we are on the land of the Duwamish people, which includes the Muckleshoot, Snoqualmie, and the Tulalip, and we honor all the Coast Salish people whose land and water supports us.

Let's take a moment to remember that the Indigenous People were, and continue to be, the original stewards and caretakers of this land.

We acknowledge that we benefit from the prosperity of the United States, which was built on the labor of enslaved people.

Please join us in expressing our deepest respect and gratitude to the descendants of those who built this country.
