ORDER AND DISMISSAL

CSC No. 01-01-010

SOCR Case No. SOCR02CE001

FED No. 38EA200035

This matter comes before the Commission upon receipt of the Final Findings of Fact and Determination of the Seattle Office for Civil Rights. The appellant having alleged at the first pre-hearing conference held in this appeal that her discharge was the result of discrimination and that the City violated her rights under the Fair Employment Practices Ordinance, SMC 14.04, the Commission properly referred the matter to the Seattle Office for Civil Rights for investigation.

The investigation having found that the appellant failed to show by a preponderance of the evidence that a violation of SMC 14.04, as amended, has occurred, and that there is no reasonable cause to believe that unfair practices have been committed, the Commission hereby enters the following
