**PROTECT YOURSELF AND YOUR LOVED ONES WITH OUR LIFE SUPPORT EQUIPMENT PROGRAM**

City Light is committed to ensuring that all of our customers have reliable power. This is especially important to those who depend on life support equipment. If someone in your home is dependent on this equipment, we provide assistance to help you maintain safety during planned and unplanned outages.

When you enroll for Life Support Equipment assistance, City Light will provide:

- Notification when planned outages will occur
- Notification of unplanned outages lasting longer than eight hours
- Assistance with maintaining electrical service if you fall behind in paying your bill
- A note on your account that indicates your participation in the program so we can keep you informed

To enroll, you or a family member can print and complete the enrollment application on our website.

Please note: you will need to have a licensed healthcare provider complete the certification form. Contact your physician’s office if you need further assistance. Once complete, email or mail the form to City Light as directed on the form.

Once enrolled, we will add a code to your account that indicates your participation in the program, alerting our staff of your documented medical needs.

You must update your information annually to remain enrolled in this program.

For more information about this program and tips for managing outages with life support equipment, visit seattle.gov/city-light/life-support.
Seattle City Light crews are in these neighborhoods, working to provide reliable service:

- Arroyo/South Arbor Heights: Installing underground conduits, vaults and streetlights to replace aging infrastructure
- Downtown Seattle: Replacing a damaged underground duct bank on Marion Street to maintain reliability
- Miller Park: Installing a battery energy storage system, solar panels and microgrid controls at Miller Community Center
- Service Area: Replacing aging utility poles throughout the service area to enhance safety and reliability

ENROLL IN THE UTILITY DISCOUNT PROGRAM

Seattle City Light and Seattle Public Utilities have created a Utility Discount Program self-certification form for income-eligible customers, which expedites the enrollment process. Income qualified customers receive 60% off their City Light bills and 50% off their Seattle Public Utilities bills. To find out if you are an income-eligible residential customer, visit seattle.gov/UDP.

SIGN UP FOR E-BILLING

SAFETY TIP FROM THE FIELD

“Storms can lead to downed power lines. If you see a power line on the ground, always assume it is electrified. Stay at least 20 feet away and call 911.”
