ACCOUNTABILITY WORKGROUP UPDATE

Accountability Legislation Update – The CPC met with the Mayor's Office and City Attorney's Office to discuss a collaborative Accountability legislative package. The Commission voted to join the Mayor's Office in a joint legislation package.

Moved, seconded, and passed (9-0-0): "To adopt the legislative package and resolution with instruction to complete legislation and staff to continue working with partners to come up with a finalized package in accordance with previous CPC recommendations and consistent with agreement in principle with the Mayor's Office and SPD in time to be heard by public safety committee by July 15, 2015."
