

March 31, 2024

The Honorable Dan Strauss
Chair, Finance, Native Communities and Tribal Governments Committee
Seattle City Council
Seattle City Hall
600 Fourth Ave., Second Floor
Seattle, WA 98101

Councilmember Strauss,

The following is the 2024 Annual Property Report of all fee-owned real property under City ownership, as required by Resolution 31837 (Oct. 2018). The Annual Property Report supports strategic management of the City's real estate holdings.

Each January, FAS' Real Estate and Planning Services division initiates the annual review process for all City departments with jurisdiction over real property to ensure that all acquisitions, transfers, and dispositions are accurately represented and logged in a central database. Departments validate and provide information about each property. Each property is classified based on level of utilization – from fully utilized municipal use to excess property available for re-use as affordable housing or transfer to another department for another use, according to the definitions set forth in Resolution 31837.

If you have questions about the Annual Report, please contact Karen Gruen, FAS' Division Director of Real Estate and Planning Services, at 206-503-0544.

Sincerely,

Kiersten Grove
Acting Department Director
Finance and Administrative Services

Highlights of the 2024 Annual Real Property Report

The 2024 report lists all Property Management Areas (PMAs) where the City has fee property ownership interests. A PMA is a City of Seattle construct and can vary in size from 56 square feet (SF) to over 3 million SF and may include one or multiple tax parcels. FAS organizes property into PMAs as they represent an administrative unit for property management.

Below are summary tables showing acquisitions and dispositions by department, as well as an overall summary of the PMAs owned by a department and their aggregate size. Following is a detailed description of the fee simple property actions by department, which occurred throughout 2023.

Highlights by Department

Seattle Center (CEN)

- The 5th and Mercer Building formerly known as KCTS Building at 401 Mercer St. had a 40-year ground lease to Cascade Public Media which ended on Dec. 31, 2023. The building ownership has been transferred to the City as of Jan. 31, 2024. The City already owned the underlying land.

Department of Neighborhoods (DON)

- Properties shown in this list are owned by DON. DON also operates many additional P-Patches on properties owned by other entities and administered by DON through agreements.

Finance and Administrative Services (FAS)

- FAS acquired the “Bakun Building” at 1426 Alaskan Way from the Washington State Department of Transportation. The building will be developed to house a Tribal Interpretive Center, in partnership with the Muckleshoot Indian Tribe, and a Waterfront Operations Center for the Waterfront Park. The purchase was authorized in [Ordinance 126810](#).

Office of Housing (OH)

- The Dumar Substation at 1605 SW Holden St was transferred from Seattle City Light to the Office of Housing via a Transfer of Jurisdiction [Ordinance 126961](#). The parcel is to be used for permanently affordable homeownership following a competitive process.
- The former Phinney Substation at 6109 Phinney Avenue N, under the jurisdiction of the OH, was surplus by Council via [Ordinance 126092](#). Following a competitive process, OH selected Homestead Community Land Trust to develop 19 units of affordable housing on the site. While this parcel has been surplus by Council, the sale has not yet closed.
- Seven parcels in the Rainier Valley were authorized for sale for the development of permanently affordable homeownership to African Community Housing & Development and Habitat via [Ordinance 126903](#). While these parcels have been surplus by Council, the sales have not yet closed.

Seattle Parks and Recreation (SPR)

- SPR was granted authority to acquire the Taylor Creek West Fork headwater property at 6109 S Fountain Street via [Ordinance 126905](#). This property is contiguous with other green space owned by SPR and borders a broader natural area owned by King County, using Metropolitan Parks District funding.
- Parks acquired a parcel of land at 9200 18th Avenue SW with authority from [Ordinance 126900](#) within the West Seattle Westwood-Highland Park Residential Urban Village. The parcel is adjacent to the SDOT Delridge Triangle parcel. It is planned to combine the 9200 18th Avenue SW parcel with the SDOT Delridge Triangle parcel to create a larger park and serve the identified park walking distance service gap in this area.
- Parks and SDOT exchanged properties with a net gain of 9,037 of green space. [Ordinance 126801](#) authorized SDOT to acquire a small portion in the northwest corner of Jackson Golf Course to reconstruct the I-5 interchange at NE 145th Street and authorized SPR to accept a Transfer of Jurisdiction Ordinance of right-of-way in Thornton Creek’s Licorice Fern reach at NE 130th, with a net increase of 9,037 sf of green space.

Seattle City Light (SCL)

- The Dumar Substation was transferred from Seattle City Light to the Office of Housing via a Transfer of Jurisdiction [Ordinance 126961](#). The parcel is to be used for permanently affordable homeownership following a competitive process.
- In 2023, five properties were added for habitat conservation in Skagit County. SCL (and SPU) has authority and obligation to acquire parcels for conservation purposes pursuant to [Ordinance 121114](#).

Seattle Department of Transportation (SDOT)

- No fee simple property transactions took place for Seattle Department of Transportation.
- Several PMAs in West Seattle (3796-3798), known as “Orchard Corners” were designated for a re-forestry grant through the USDA and have been reclassified from “Excess to Department” to “Fully Utilized.”
- Central Waterfront Park Boulevards with shared responsibility between SDOT and SPR were established by [Ordinance 126444](#).

Seattle Public Library (SPL)

- No property transactions took place for Seattle Public Library in 2023.

Seattle Public Utilities (SPU)

- In 2023, SPU sold the property formerly containing the Henderson Street Pumping Plant at 8817 Seward Park Ave S to Seattle Public Schools, for the reconstruction of Rainier Beach High School. The property was authorized for a directed sale by Council [Ordinance 126978](#).
- SPU sold a small portion of the Foy Pump Station property at 500 NE 145th St. which was surplus by City Council action for the City of Shoreline’s construction of a roundabout by [Ordinance 126822](#).
- SPU acquired a residential zoned parcel at 10706 35th Avenue NE within the Federal Emergency Management Agency (FEMA) floodway as part of the Thornton Confluence Floodplain project and Meadowbrook Stormwater Detention facility for floodwater storage. This action was authorized by [Ordinance 126797](#).

Properties According to Classification

In addition, departments classify fee-simple properties according to definitions from [Resolution 31837](#). These definitions are also listed in the Appendix to this report. Below are tables showing the classification of PMAs according to size.

Per Council Resolution 31837, properties newly designated as Excess are reviewed for prioritization by Office of Housing for affordable housing development.

Not all properties designated as Excess to a Department are suitable for redevelopment. Some have steep slopes or other site characteristics that make them difficult building sites, yet they might have value to the City for other purposes, such as drainage sites or vegetative buffers. Excess properties for one department might have a use by another department, and if both departments agree, a property may be transferred through a Transfer of Jurisdiction Ordinance (TJO). When no other municipal use exists, Excess properties may be disposed of, such as a sale, following a surplus process that requires City Council approval. Properties classified as “Surplus to City” have been authorized by City Council for a sale, pursuant to the terms in the Ordinance.

Appendix: Classification/Status Definitions ([Resolution 31837](#)):

Fully Utilized Property:	Municipal Use Property that is actively being used for municipal purposes to the fullest capacity possible under any required restrictions on its Municipal Use.
Underutilized Property:	Municipal Use property that could support additional and/or more intensive uses without interfering with the primary use of the property.
Interim Use Property:	The use of property for a non-municipal use(s) on a short-term basis during the period of time prior to its being used for its proposed future Municipal Use.
Unused Property:	Property owned by the City that is not currently in Municipal Use, that has not been declared Excess Property or Surplus Property and that is not being rented, leased, or otherwise used under an agreement with the City.
Excess Property:	Real Property whose Jurisdictional Department has formally determined is no longer needed for the Department's current or future use.
Surplus Property:	Excess Property formally designated by the City Council as not needed to carry out any recognized goal or policy of the City.
