

March 31, 2025

Councilmember Dan Strauss
Chair, Finance, Native Communities and Tribal Governments Committee
Seattle City Council
Seattle City Hall
600 Fourth Ave., Second Floor
Seattle, WA 98101

Councilmember Strauss,

The following is the 2025 Annual Property Report of all fee-owned real property under City ownership, as required by Resolution 31837 (last revised Oct 2018). The Annual Property Report supports strategic management of the City's real estate holdings. A .pdf and Excel file of the data is enclosed with this letter.

Each January, FAS' Real Estate and Planning Services division initiates the annual review process for all City departments with jurisdiction over real property to ensure that all acquisitions, transfers, and dispositions are accurately represented and logged in a central database. Departments validate and provide information about each property. Each property is classified based on level of utilization – from fully utilized municipal use to excess property available for re-use as affordable housing or transfer to another department for another use, according to the definitions set forth in Resolution 31837.

If you have questions about the Annual Report, please contact Karen Gruen, FAS' Division Director of Real Estate and Planning Services.

Sincerely,

Kiersten Grove
Department Director
Finance and Administrative Services

Cc: Mayor's Office
Seattle City Council
Karen Gruen, Director Real Estate and Planning Services Division
Real Estate Oversight Committee (REOC)

Highlights of the 2025 Annual Real Property Report

The 2025 report lists all Property Management Areas (PMAs) where the City has fee property ownership interests. A PMA is a City of Seattle construct and can vary in size from 56 square feet to over 3 million square feet and may include one or multiple tax parcels. FAS organizes property into PMAs as they represent an administrative unit for property management.

Below are summary tables showing acquisitions and dispositions by department, as well as an overall summary of the PMAs owned by a department and their aggregate size. Following is a detailed description of the fee simple property actions by department, which occurred throughout 2024.

2024 Acquisition and Disposition Activity by Department

	Transfers In/Acquisitions	Transfers Out/Dispositions
CEN	-	-
DON	-	-
FAS	-	-
OH	-	-4
SCL	2	-
SDOT	-	-
SPL	-	-

Total	1,077	5,752,620,746	132,062	100.00%

Highlights by Department

Seattle Center (CEN)

- The 5th and Mercer Building, formerly known as the KCTS Building, at 401 Mercer St. had a 40-year ground lease to Cascade Public Media which ended on Jan. 31, 2024, at which point the building ownership was transferred to the City. CEN is currently using the existing building for short-term uses, including office, operations and storage supporting Seattle Center while Memorial Stadium is under construction. CEN has a short-term interdepartmental agreement with OED to use portions of the building in support of film production and other creative production use, anticipated to continue through 2025. CEN is engaging a real estate consultant in 2025 to provide analysis and recommendations for future use in service of Seattle Center.

Department of Neighborhoods (DON)

- Properties shown in this list are owned by DON. DON also operates many additional P-Patches on properties owned by other entities and administered by DON through agreements.
- There were no changes to real property owned by DON in 2024.

Finance and Administrative Services (FAS)

- FAS Former Fire Station 26, now known as the South Park Neighborhood Center, was designated as a landmark by the Landmarks Preservation Board and added to the Table of Historical Landmarks contained in Chapter 25.32 of the Seattle Municipal Code.
- In 2024, FAS and the Office of Housing partnered to perform due diligence on the parcel at 3401 S. Della St. to determine if the site could support an affordable housing development.
- FAS owns the parcel at 3500 Interlake Ave. N (PMA 91). SPU is currently using the site in support of the Ship Canal Water Quality Project. When that work is complete, FAS plans to transfer a portion of the site to SPU for long-term infrastructure, and the remaining portion to the Office of Housing.

Office of Housing (OH)

- The Dumar Substation at 1605 SW Holden St. was transferred from Seattle City Light to the Office of Housing via a Transfer of Jurisdiction [Ordinance 126961](#) in December 2023. The parcel is to be used for permanently affordable homeownership by Homestead CLT, following a competitive process.
- The former Phinney Substation at 6109 Phinney Ave. was sold by OH to Homestead Community Land Trust (which was selected in a competitive process) to develop 19 units of affordable housing on the site. While this parcel was declared surplus by City Council via [Ordinance 126092](#) in 2023, the sale closed in 2024, and the property is no longer owned by the City.
- Parcels in the Rainier Valley were authorized for development of permanently affordable homeownership to African Community Housing & Development and Habitat. These parcels were declared surplus by City Council in 2023 via [Ordinance 126903](#). Several sales closed in 2024, and properties are no longer owned by the City. The remaining parcels are in various stages of planning and development.

Seattle Parks and Recreation (SPR)

- SPR was granted authority by the City Council to acquire 10 parcels of property on Beacon Hill (at 17th Ave. S. and Walker St.). CB 120922. The property is not reflected yet on the dataset, as SPR will engage in negotiations with the property owner in 2025.
- SPR was authorized to receive jurisdiction of additional boulevard areas on the Alaskan Way Boulevard Park property, as part of the Waterfront redevelopment project. When construction is complete, SDOT will formally transfer jurisdiction to SPR. This will add many acres of parkland to SPR. However, for now, the property is not reflected in SPR's holdings.
- SPR acquired 27.11 acres of the peninsula north of the Washington Park Arboretum from WSDOT as part of the SR 520 project and settlement agreement. This acquisition was added to the Arboretum PMA.
- SPR engaged in property exchanges with SDOT, which resulted in increased park acreage at Lower Woodland Park, Ravenna Boulevard, Licorice Fern Natural Area on Thornton Creek and Taylor Creek Headwaters.

Seattle City Light (SCL)

- Two SCL facilities were designated as landmarks by the Landmarks Preservation Board and added to the Table of Historical Landmarks contained in Chapter 25.32 of the Seattle Municipal Code – the East Pine Substation and the Georgetown Steam Plant. (CB 120479 and CB 120480).
- Two conservation acquisitions totaling approximately 145 acres were completed in support of the Skagit and Boundary Projects.

Seattle Department of Transportation (SDOT)

- The two structures on the SDOT-owned parcel at 5980 Seaview Ave. NW were demolished in 2024, and the space is now greenspace (in the triangle area where Seaview Ave. and the Burke Gilman trail connect).
- The building on the property at 900 Roy St. was demolished in 2024 and is now a vacant lot with temporary fencing, pending decisions on activation of the lot.

Seattle Public Library (SPL)

- There were no transactions or changes to real property for Seattle Public Library in 2024.

Seattle Public Utilities (SPU)

- In 2024, SPU declared the property known as the Glacier Well property in SeaTac as Excess to SPU needs. Water District 125 has expressed interest in buying the property from SPU to construct a pumping station for water conveyance. Although Highline Public Schools has a permit to use a portion of the property, Highline Public Schools is not interested in acquiring the property and is aware of Water District 125's interest in acquiring the property.
- SPU received authorization to acquire two parcels at 9740 8th Ave. NW and 711 NW 100th St. for drainage and wastewater purposes and fish passage improvements in connection with Piper's Creek, via Council Ordinance 127094. On Jan. 15, 2025, SPU completed the purchase of 711 NW 100th St. The purchase of 9740 8th Ave. NW has not closed yet and is expected to be completed in Q1, 2025.

- SPU received authorization to acquire two parcels of land located at 21226 221st Ave. SE in King County, totaling 20.5 acres, for salmon habitat protection and watershed management. While SPU has authority to acquire parcels for this purpose under [Ordinance 121928](#), this transaction required separate Council action ([Ordinance 127093](#)) as SPU also plans to enter into a life estate agreement for the current resident to continue to occupy the property. This purchase has not closed yet and is expected to be completed in Q1 2025.
- SPU received authorization to acquire seven separate parcels of land in South Park on 8th Ave. S. and South Kenyon St., along the Duwamish River, for the South Park Water Quality Facility Project. Authorization for the acquisition was granted by Council via [Ordinance 127022](#). SPU completed the purchase of six of the parcels in Q2 2024. The purchase of the seventh parcel has been placed on hold as the project team works with the commercial tenants on relocating their business. These are categorized as one Property Management Area in the dataset.

Properties According to Classification

Departments classify fee-simple properties according to definitions from [Resolution 31837](#). These definitions are also listed in the Appendix to this report. Below are tables showing the classification of PMAs according to size.

PMA Summary by Classification - All Property

Classification	Number of PMAs	Total Area (SqFt)	Total Area (Acres)
Excess to Dept	80	2,973,257	68
Fully Utilized	905	5,736,332,318	131,688
Interim Use	54	2,088,453	48
Surplus to City	27	11,131,178	256
Underutilized	10	93,445	2
Unused	1	2,095	0
Total	1,077	5,752,620,746	132,062

PMA Summary by Classification - in City Limits

Classification	Number of PMAs	Total Area (SqFt)	Total Area (Acres)
Excess to Dept	74	1,131,590	26
Fully Utilized	751	313,536,004	7,198
Interim Use	52	1,838,203	42
Surplus to City	26	148,831	3
Underutilized	9	64,921	1
Total	912	316,719,549	7,271

Per Council Resolution 31837, properties newly designated as Excess are reviewed for prioritization by Office of Housing for affordable housing development.

Not all properties designated as Excess to a Department are suitable for redevelopment. Some have steep slopes or other site characteristics that make them difficult building sites, yet they might have value to the City for other purposes, such as drainage sites or vegetative buffers. Excess properties for one department might have a use by another department, and if both departments agree, a property may be transferred through a Transfer of Jurisdiction Ordinance (TJO). When no other municipal use exists, Excess properties may be disposed of, such as a sale, following a surplus process that requires City Council approval. Properties classified as “Surplus to City” have been authorized by City Council for a sale, pursuant to the terms in the Ordinance.

Appendix: Classification/Status Definitions ([Resolution 31837](#)):

Fully Utilized Property:	Municipal Use Property that is actively being used for municipal purposes to the fullest capacity possible under any required restrictions on its Municipal Use.
Underutilized Property:	Municipal Use property that could support additional and/or more intensive uses without interfering with the primary use of the property.
Interim Use Property:	The use of property for a non-municipal use(s) on a short-term basis during the period of time prior to its being used for its proposed future Municipal Use.
Unused Property:	Property owned by the City that is not currently in Municipal Use, that has not been declared Excess Property or Surplus Property and that is not being rented, leased, or otherwise used under an agreement with the City.
Excess Property:	Real Property whose Jurisdictional Department has formally determined is no longer needed for the Department's current or future use.
Surplus Property:	Excess Property formally designated by the City Council as not needed to carry out any recognized goal or policy of the City.
