### Department Description

The Office of Hearing Examiner is Seattle's forum for reviewing questions of administrative law regarding the correct application of City code provisions. As authorized by the Seattle Municipal Code, the Office conducts hearings and decides appeals in cases where citizens disagree with a decision made by a City agency. Many of the matters considered by the Hearing Examiner are related to land use and environmental decisions made by the Department of Planning and Development. The Hearing Examiner also makes recommendations to the City Council on rezone petitions, major institution master plans, and other Council land use actions.

The Hearing Examiner serves as the City's administrative law judge and regulates the conduct of hearings, preparing decisions and recommendations based upon the hearing record and applicable law. The Hearing Examiner appoints Deputy Hearing Examiners to conduct hearings and to exercise the Office's decision-making authority. The Seattle Municipal Code requires all examiners to be attorneys with training and experience in administrative hearings. The Hearing Examiner also appoints an administrative analyst to oversee the administrative areas of the Department and paralegals to assist with hearings and provide information to the public.

### Policy and Program Changes

There are no program changes from the 2004 Endorsed Budget, however the position of Administrative Analyst will be increased from 0.8 FTE to 1.0 FTE to better support the office during general business hours. This increase will be covered within existing funding.
