

Position Modifications in the 2007 Adopted Budget

The following is the official list of position modifications proposed in the 2007 Budget, as presented in the departmental sections of this document. The modifications result from budget actions that reclassify positions, abrogate positions, create new positions, transfer existing positions between City departments, or change the status of a position, e.g. from full-time to part-time status. Numbers in parentheses are reductions. Totals represent net change in 2007 positions as a result of changes contained in the 2007-2008 Budget. Unless otherwise noted, the modifications listed here will take effect on January 1, 2007.
