Department Overview

The 2003 Fire Facilities Levy Fund was created through Ordinance 121230, following voter approval of the Fire Facilities and Emergency Response Levy in November 2003. The fund receives revenue from property taxes (approximately \$167.2 million over the nine-year life of the levy), grants, certain interfund payments and other sources. Levy fund resources are supplemented with other funding sources, such as the City's Cumulative Reserve Subfund and bond proceeds, which are not included in this section, but are detailed in the Department of Finance and Administrative Services Capital Improvement Program (CIP).
