Department Overview

The 2003 Fire Facilities Levy Fund was created through [Ordinance 121230](#), following voter approval of the Fire Facilities and Emergency Response Levy in November 2003. The fund receives revenue from property taxes (approximately \$167.2 million over the nine-year life of the levy), grants, certain interfund payments and other sources. Levy fund resources are supplemented with other funding sources, such as the City's Cumulative Reserve Subfund and bond proceeds, which are not included in this section, but are detailed in the Department of Finance and Administrative Services Capital Improvement Program (CIP).

Budget Overview

Projects funded from the Fire Facilities Levy Fund are detailed in the Department of Finance and Administrative Services (FAS) CIP.

The levy stopped collecting levy funds in 2012 and the program is nearing completion. In 2017, the last planned project, at Fire Station 32, was in construction, and that work is anticipated to be completed in 2018. Other completed projects within the program include the Emergency Operations Center, the Joint Training Facility and a number of neighborhood fire station modifications and construction projects.
