## Department Overview

The Office of Inspector General for Public Safety (OIG) was established in 2017 as part of the City of Seattle’s police accountability system through [Ordinance 125315](#). The OIG oversees the management, practices, and policies of the Seattle Police Department (SPD) and Office of Police Accountability (OPA), in order to promote fairness and integrity in the delivery of law enforcement services and in the investigation of police misconduct. These goals are achieved through the issuance of systemic recommendations by OIG, aimed to promote lasting reforms which reflect the values of Seattle’s diverse communities. The ordinance cloaks OIG with the responsibility for ensuring “ongoing fidelity” to reforms under the Consent Decree. Further, per the federal court’s 2022 Monitoring Plan, OIG’s responsibility for post-Consent Decree oversight of the City’s fidelity to Consent Decree reforms is acknowledged and affirmed.

The summation of OIG’s responsibilities now include:

- Conducting performance audits and reviews to ensure the integrity of SPD and OPA processes and operations;
- Reviewing OPA’s intake and investigation of SPD misconduct allegations;
- Evaluating SPD response to incidents involving death, serious injury, serious use of force, mass demonstrations, or other issues of significant public concern, to assess the integrity of SPD investigative processes;
- Conducting reviews mandated by the Accountability Ordinance of: 1) SPD acquisition and use of surveillance technologies ([SMC 14.18](#)) and 2) gathering and use of “intelligence” information by SPD ([SMC 14.12](#));
- Ensuring SPD is meeting its mission to address crime and improve quality of life through the delivery of constitutional, professional, equitable, and effective police services that retain the trust, respect, and support of the community;
- Making recommendations to policymakers aimed at increasing fairness, equity, and integrity in the delivery of SPD services and related criminal justice system processes; and
- Conducting continued oversight of the City and SPD’s fidelity to the Consent Decree, by periodical and permanent assessments of the core areas of consent decree (Bias Free Policing, Stops and Detentions, Use of Force, and Crisis Intervention) as previously performed by the Department of Justice (DOJ) and the Police Monitor Team.

## Budget Overview

The General Fund revenue forecast for the City's 2023-24 Proposed Budget is insufficient to cover expected costs. General Fund reductions were identified to mitigate this shortfall in revenues. The Office of Inspector General (OIG) budget provides a 3% reduction through non-personnel line items such as consultant services and travel/training that will not impact their daily operations. The budget is also adjusted for minor Citywide technical changes which are described below.

## Description of Incremental Budget Changes

### Baseline

#### Citywide Adjustments for Standard Cost Changes

Expenditures \$75,118

Citywide technical adjustments made in the baseline phase reflect changes to internal services costs, including rates from the Department of Finance & Administrative Services, Seattle Information Technology Department, Seattle Department of Human Resources, and for healthcare, retirement, and industrial insurance charges for the department. These adjustments reflect initial assumptions about these costs and inflators early in the budget process.

There is no increase assumed from 2022 to 2023.
