WHAT WE ARE LOOKING FOR

Diversity: Reflect the community

We respect the different identities, experiences, and perspectives of those that we work with and the community we serve.

Strength: In body and mind

The training and the job is physical and vigorous. Your mind is also challenged through problem solving and constant learning.

Honesty and integrity: Share our values

The public trusts and depends on you during their time of need.

Team Player: There is no "I" in team

There are few careers that are as selfless as firefighting. Maintaining excellence is as much for your team members and the public as it is for you.
