## Gender-Based Violence Prevention Services

### 2024 Request for Proposal

	Program Area	Question	Answer
1	GBV Prevention	Just to get more information on this funding—last week you noted that this is a funding renewal. Was there any increase or decrease to this pre-existing funding? (I am trying to assess the potential impact of whether existing programs who receive this funding, could be in jeopardy, if our agency were to apply and receive the grant.	The funding amount for the 2024 Gender-Based Violence Prevention RFP of approximately \$487,560, is a higher amount than the current investment in two GBV Prevention programs. This is not a renewal of funding and current GBV Prevention programs will need to apply. The RFP is a competitive process, and there is no guarantee that currently funded programs will be awarded through this process.
