# Keynote Speaker: Janelle Jackson

Janelle is a Senior Planner for the Seattle Human Services Department Safe & Thriving Communities Division, where she supports the planning and procurement of up to \$20 million in community safety investments that provide services across a continuum of prevention, intervention, and restoration strategies with the goal of further reducing gun violence.

She has worked in the human services field for 13 years working with humans in utero to her eldest client, aged 99 years old. Her work has touched the lives of pregnant and post-partum mothers, parents, families, young people, older adults, and communities impacted by substance use disorder, domestic violence and gun violence. While utilizing cultural grounding and best practices in the health and social determinants of health field; Janelle carries forward and amplifies the wisdom imparted on her from her elders and traditional ceremonies from the Navajo Nation. She strives to walk in Ke', in harmony with kinship, clanship, and good relations with the people she has the pleasure of connecting with.

# Panel Discussion

- Javiera Wood, Office of Immigrant and Refugees Affairs
- Kerry O'Meara, Community Connector North Helpline
- Kolbi Monasmith, United Indians of All Tribes Foundation

# Panel Discussion Questions

- How have you adjusted/adapted the approach to your work to support those community members that are most vulnerable and/or in greatest need?
- What advice would you give to CBOs, service providers, public institutions, and government agencies to uplift, instill hope, and provide a sense of stability to our neighbors?
- What are you most hopeful for?
- How do you approach building trust and rapport with community members, [especially those who may be hesitant or fearful]?

# Panel Discussion Questions

- How do you ensure that all community voices are heard, particularly those from marginalized or less vocal stakeholders?
- What does accountability to community mean to you?
- How has the mission/vision of your organization become more or less “real” for you given the uncertain times we’re in?
- How do you remain resilient and energized?

# Utility Discount Program (UDP)

Receive an ongoing discount on your Seattle City Light and Seattle Public Utilities bills

Seattle  
Public Utilities

Seattle  
City Light

Seattle  
Human Services

# Overview

## Utility Discount Program

**DISCOUNT**

 **60%**

 **50%**

You can receive 60% off your Seattle City Light bills and 50% off your Seattle Public Utilities bills.

## How to Qualify

- You qualify if your gross household income is 70% of State Median Income or lower.
- How do you verify your household income?
  - In general, you can show one-month of pay stubs or other income documents.
  - If you are self-employed, you can show three months of income. You may be asked to show other documents to qualify.
  - If you receive SNAP benefits, you can show your DSHS award letter.
- You can recertify every 2 years or every 3 years for seniors (65+).

Utility Discount Program

# 2025 Income Guidelines

Size of Your Household	Gross Monthly Income	Gross Yearly Income
1	\$4,016	\$48,192
2	\$5,251	\$63,012
3	\$6,487	\$77,844
4	\$7,722	\$92,664
5	\$8,958	\$107,496
6	\$10,193	\$122,316
7	\$10,425	\$125,100
8	\$10,657	\$127,884
9	\$10,888	\$130,656
10	\$11,352	\$136,224
Each Additional Household Member	+ \$232	+ \$2,784

# Toilet Replacement Programs

Melissa Levo

October 2024

Seattle Public Utilities

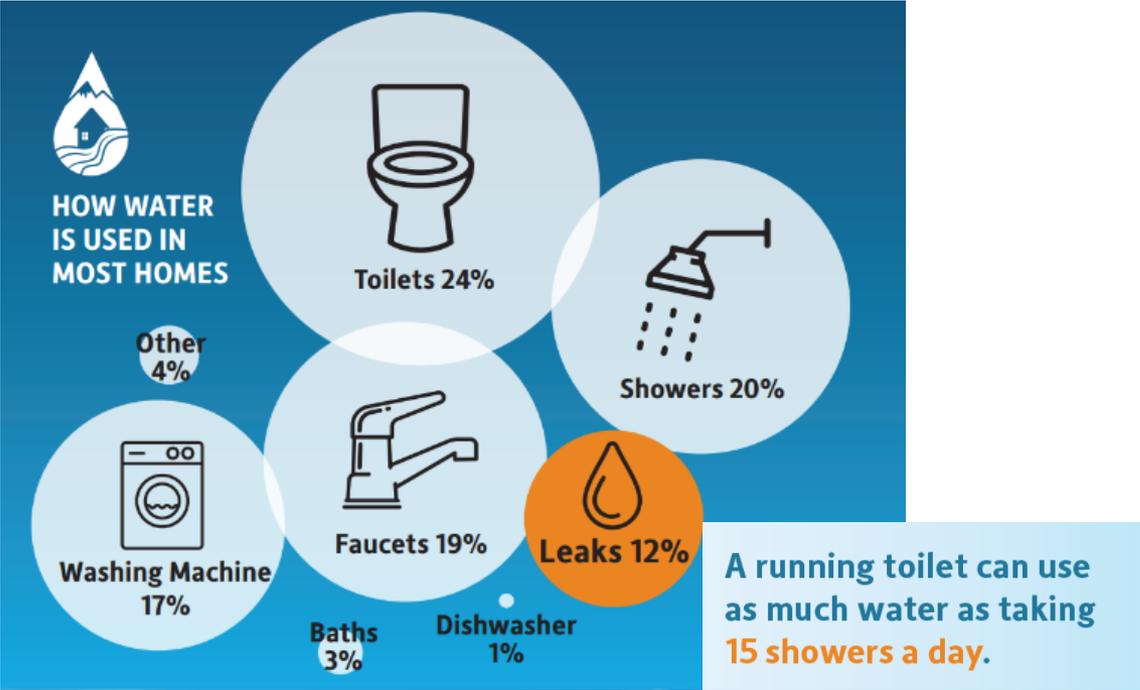

City of Seattle

## We help replace old toilets

- “Old” means made in 2010 or earlier

# Why toilets?

# Free Toilets - Overview

- Single Family/Condos: 2 free toilet and installation.
  - **Renters** in single family homes okay with homeowner permission.
- Multifamily Housing Providers: 2 free toilets per unit and free common area clothes washers
- New toilets are 1.1 gallon per flush (gpf) or less and meet performance standards (MaP PREMIUM rated)
- **Retrofits only** – no new construction

# Free Toilets for Single Family/Condos

- 2 free toilets and installation
- Implemented by Sound Generations' Minor Home Repair program.
- Process:
  - Complete online Civiform application
  - Sound Generations schedules appt
    - [mhr@soundgenerations.org](mailto:mhr@soundgenerations.org)
    - (206) 448-5751
  - The new toilet is provided, and the old one is recycled.

# Qualifications (single family/condos)

- SPU is the property's water provider
- Owner-occupied or owner permission
- Meet income qualifications
  - Resident is on the Utility Discount Program
  - OR -
  - Makes less than 80% of state median income  
(Ex: 1 person \$50,604; 4 people \$97,308)
- Existing toilets made in 2010 or earlier

# Free Toilets for Housing Providers

- Rebate for replacing toilets and common area clothes washers
  - 100% of cost of the fixture
  - \$200 per toilet for installation
  - 100% of clothes washer installation cost
- Process
  - Apply and receive authorization
  - Buy and install toilets
  - Rebate issued after installation

# Qualifications (housing providers)

- SPU customer
- Non-profit multifamily property (4 units or more)
- Building is subject to rent or income restrictions
  - Less than 80% of state median income
- Existing toilets made in 2010 or earlier (no new construction)

# Market Rate Rebate Programs

- \$100 rebate per toilet
  - New toilet must be 1.1 gpf or less and MaP Premium rated
  - No income requirements
  - Larger service area
  - Programs for all sectors

**SAVING WATER PARTNERSHIP**

*Make a difference. Use water wisely.*

# Affordable Seattle

## 2025 Community Update

# Seattle.gov/affordable

- ✓ One place to for all City affordability programs
- ✓ 40 programs
- ✓ Up to \$65,000 in savings
- ✓ Quick Apply via CiviForm

The screenshot shows the Seattle.gov/affordable website. At the top, there is a blue navigation bar with the Seattle logo, a language dropdown set to English, a search icon, and a 'Pay or Apply' button. Below the navigation bar are several menu items: CITY ADMINISTRATION, PUBLIC SAFETY, ASSISTANCE AND UTILITIES, LEARNING AND EDUCATION, EXPLORE THE CITY, and TRANSPORTATION AND DEVELOPMENT. The main content area features a large heading 'Assistance and Discounts' with a sub-heading 'Save money on utilities, childcare, food, housing, home repairs, internet, and transportation.' To the right of this text is a photograph of three women sitting at a table, looking at documents and laptops. Below the main heading is a light blue section with the heading 'Find out how much money you could save in just 2 minutes'. This section contains a form with two main sections: 'Household Size' and 'Household Income'. The 'Household Size' section includes a dropdown menu currently set to '1 person' and a note: 'Household size includes the individual, spouse, children who are under 19 years old, and any adult dependents'. The 'Household Income' section includes a note: 'Eligibility is based off gross (pre-tax income)'. It has a sub-section for 'Average Income' with a radio button selected for 'Yearly' and another for 'Monthly'. Below this is a horizontal slider bar ranging from '\$0' to '\$200,000+'. A 'Check for Programs' button is located to the right of the income section.

**UNITED INDIANS**  
**OF ALL TRIBES FOUNDATION**

## Rooted in Indigenous Resistance

- **Our mission** is to provide educational, cultural and social services that reconnect Indigenous people in the Puget Sound region to their heritage by strengthening their sense of belonging and significance as Native people.
- **Our vision is** to be a social service provider, community center, and cultural home for urban Indians.

# Our Programs

- Daybreak Star Radio
- Daybreak Star Preschool
- Sacred Circle Giftshops and Art Gallery
- Daybreak Star Cultural Center
- **Community Services:**
  - Labateyah Bridge Housing Programs
  - Homelessness Prevention
  - Elders Nutrition Program
  - Veterans Pathfinder Program
  - Native Workforce Services
- **Family services:**
  - Unci Makha Home Visiting Program
  - Foster Care Support

# Native Workforce Services Program

---

Started in 2011 through funding by the U.S. Department of Labor.

---

Provides case management and supportive services through education and training programs

---

Assist with job searches and applications

---

Trainings on City of Seattle worker's rights

# Our Grant Projects

- **Seattle Office of Labor Standards:** Training available for anyone working in or considering working in Seattle.
- **Workforce Innovation and Opportunity Act:** Funding only for Native Americans, Alaskan Natives, First Nations, or Native Hawaiians who can prove enrollment in a state or federally recognized tribe.
  - Open to all career fields.
- **Native Infrastructure Careers and Education (NICE) Project:** Funding is open to anyone who identifies as Indigenous.
  - Targeting careers in transit or electric transportation.
  - Occupations include software engineers, application developers, information technology, electricians, power-line installers, industrial, civil, and mechanical engineers, machinists, technicians, and more.
- **Washington State Department of Financial Institutions: Coaching and Mentorship Grant**
  - One-on-one coaching and financial literacy workshops

Clients can be enrolled in all programs.

Receiving \$2 million over five years and funded by H-1B visas to meet the skilled employment needs of the Bipartisan Infrastructure Law

Convene a public-private partnership to develop and implement worker-centered sector strategy.

Targeting occupations and training in renewable energy and transportation.

Target Occupations: advanced manufacturing; information technology; civil, electrical, and industrial engineers; and other professional, scientific, and technical occupations

Aim to serve Indigenous adults 18 years and older with support through training

# U.S. Department of Labor's Building Pathways to Infrastructure Jobs

## CAREER PATHWAYS

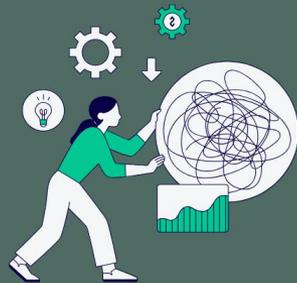

### Skilled Trades

- Automotive Mechanics
- Electricians
- Machinists
- Technicians
- Other trades

### Engineering

Civil, mechanical and electrical engineers.

### Management

Sustainable building technology.

### Information Technology

Software and app developers, cyber security, and more!

# Native Infrastructure Careers and Education (NICE) Pathways Project

# Goals and Actions

## Native Infrastructure Careers and Employment (N.I.C.E.)

Convene a transit and electrified transportation sector partnership with industry leaders and public partners to increase coordination and cooperation.

Increase Indigenous enrollment in industry related training and education programs.

Increase Indigenous representation in mid- to high-skilled occupations.

The background image shows a city street scene. In the foreground, a white and blue bus is visible, with the destination sign '15 SOUTH FERRY' and the number '1254' on its side. The bus is partially obscured by a semi-transparent white text box. In the background, there are brick buildings and green trees under a clear sky. A traffic light is visible on the right side of the image.

## Transit and Electrified Transportation Sector

---

The Puget Sound region is investing billions in expanding light rail, electrifying transportation, and increasing EV charging.

---

Funding from the Bipartisan Infrastructure Bill

---

Sound Transit's expansion project

---

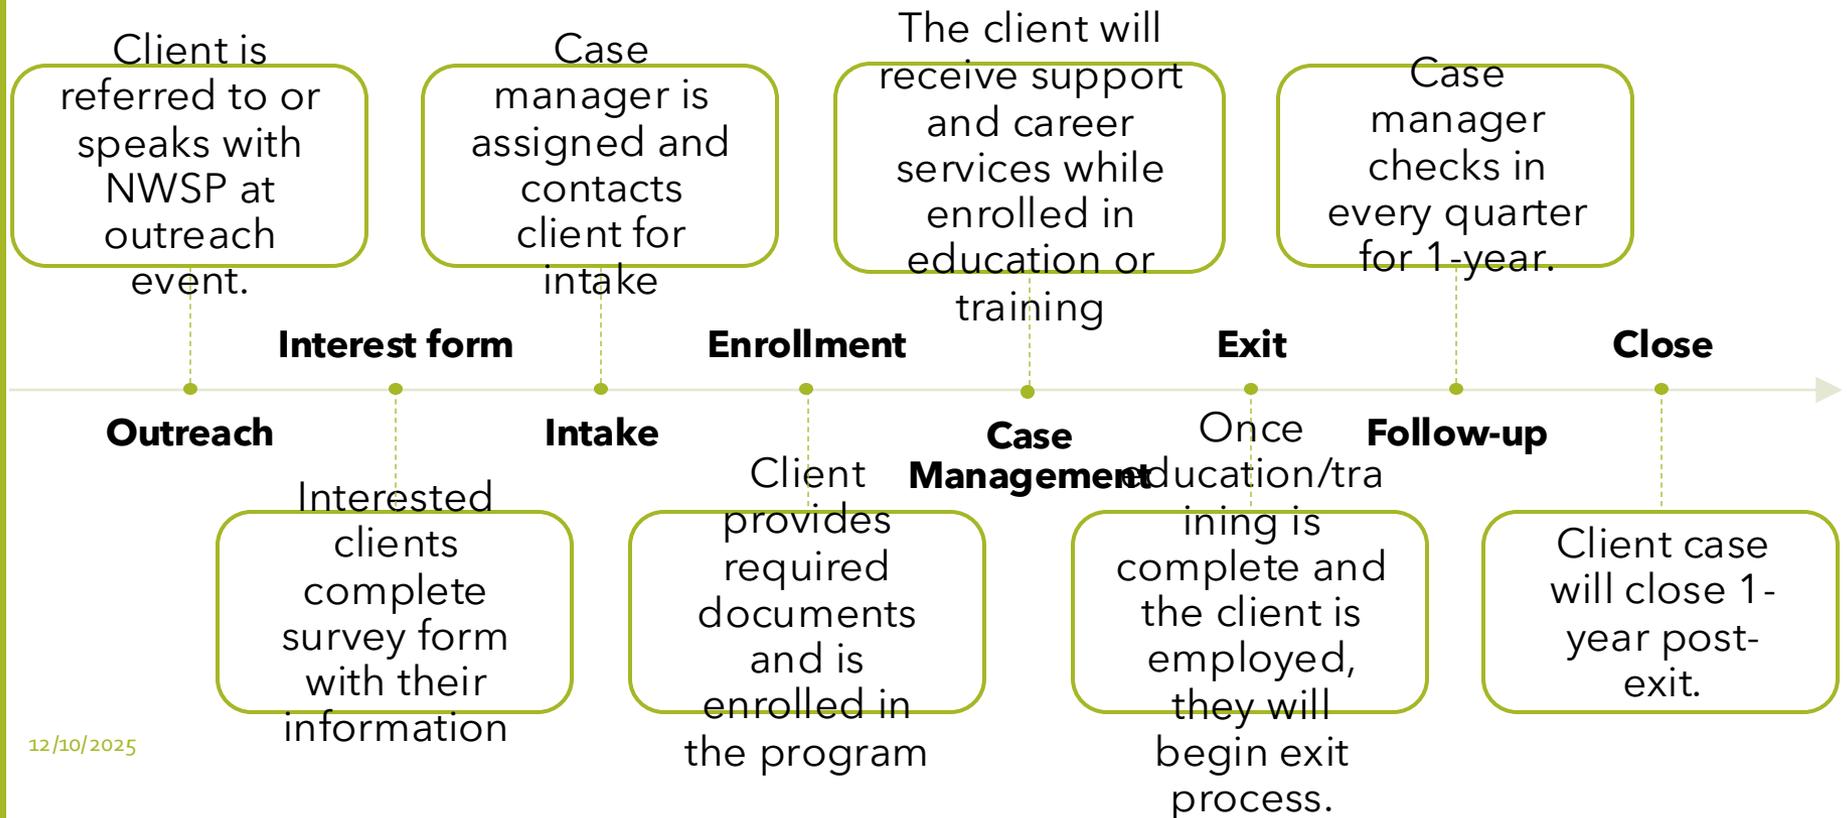

King County Metro's transition to electric buses

---

Seattle City Light's Transportation Electrification Strategic Plan

---

# NWSP Client Intake Process

# Our Sector Partnership is community and industry driven.

Education and training providers will work with NWSP to place and support participants through their respective programs.

Employer partners will advise on which occupations and skills are needed and how participants can get hired.

Work together to design training and employment programs that are responsive to worker's voices and meet the needs of the industry sector.

Everyone provides regular feedback and works together to identify issues in the sector and changes in labor market demand or education opportunities.

Everyone participates in quarterly check-ins and discussions

# Mission

To empower Latinx and BIPOC communities through the promotion of culture, education, environmental awareness, and community communication.

# Vision

To be a thriving community where culture and health come together to create greater opportunities and well-being for all.

# Art and folklore

- Exhibition of traditional costumes
- Traditional dance performances
- Cultural festivals
- Live music and folk ensembles
- Artisan crafts and handmade art displays
- Storytelling and oral traditions
- Visual art exhibitions inspired by heritage
- Workshops on folk art, weaving, and traditional instruments

# Health

- Mental health education
- Healthy food for the community
- Preventive care, access to local resources
- Oral health education
- Workshops on environmental health and disease prevention.

# Environment

- Ecological art and environmental education
- Awareness of the HEAL Act
- Recycling and waste reduction initiatives

Presentation by Mara Brewster

# Family Comes First Program

# Program Information

- The Family Comes First Program uses Family Navigation to support families involved in the Department of Youth Children and Family Services (DCYF).
- Family Navigation includes connecting families with culturally specific community resources in the area.
- The Program also uses basic needs financial assistance to immediately support families in need. This can include Utility Bill assistance.

# Family Comes First Mission

To reduce the disproportionate amount of African American Youth entering the foster care system and keep families together.

Parents can not flourish when they are victims of the system themselves, dealing with generational traumas, poverty and lack of support. The Family Comes First Program is a support system for families at high risk of child displacement.

# Apple Health/Medicaid: What's changing.

## To **understand** health insurance and what's changing, you must **understand** health care reform!

**March 2010:** US government enacts the Patient Protection and Affordable Care Act (the "ACA").

**The ACA goals** were to make health insurance more affordable, increase access and improve health care quality.

**2013:** Each State had to create their own **marketplace** or website to shop for insurance.

**Our marketplace to go shopping for insurance is called:**

**Wahealthplanfinder.org**

**Each state had the option to create a Medicaid Expansion program (19-64).**

(33 states chose to use the federal marketplace Healthcare.gov)

- **Washington State** created a new Medicaid/Apple Health expansion program.
- Most Medicaid enrollment moved to Wahealthplanfinder.org
- **Uninsured rates** declined

**2025 & beyond: New changes**, some by Congress, some by rule-making will impact:

- **Adult Medicaid expansion** will be impacted.
- **"Marketplace" enrollment** also impacted by changes.

**This year, under the new H.R. 1 bill, the Federal Laws changed.**

Who can get health insurance, how to get approved & how to maintain their coverage will be different.

For Medicaid or Apple  
Health, we'll see the  
impact of these  
changes in  
**2026.**

Let's review!!

# Changes in 2026-2029 for Apple Health-Medicaid

---

2026

**Refugees, asylees and other non-citizen** adults lose eligibility.

New requirements for 2027 must be in place by 12/31/26.

2027

**Work requirements** for adults age 19-64 (work, training, or community engagement, for 80 hrs./ month, with exemptions).

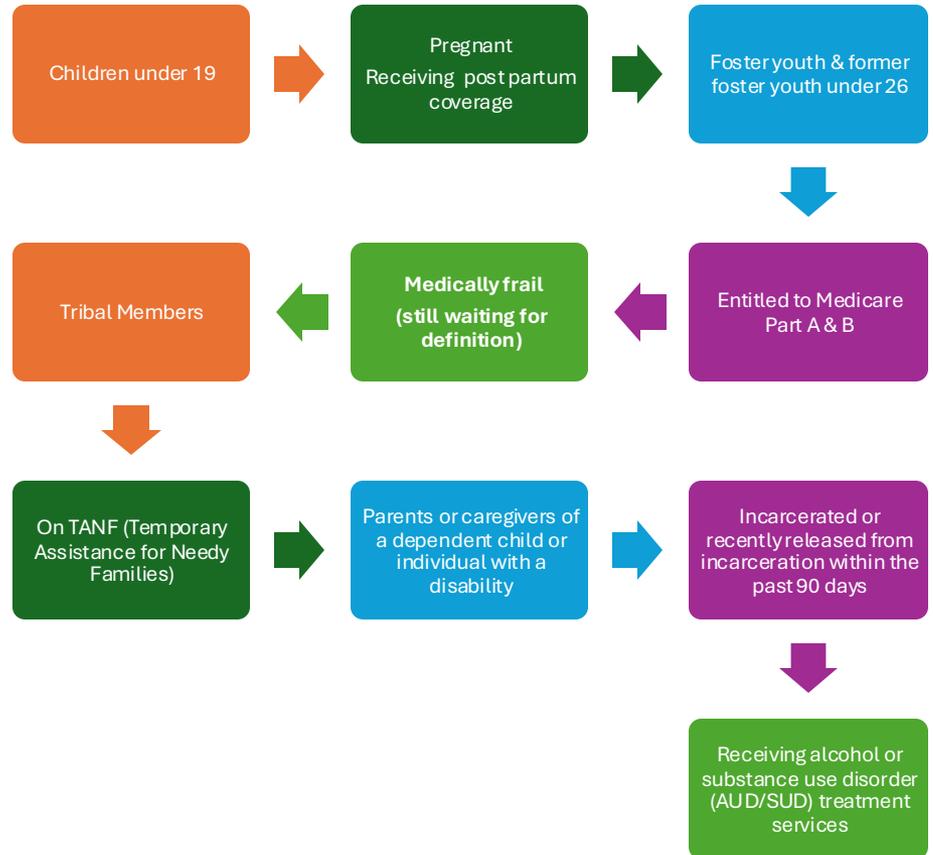

More frequent **eligibility checks** for adults (every 6 months).

2028-29

Cost sharing (Oct 2028) – new up to \$35 co-pay for many services.

Address verification (Oct 2029)

# Is anyone exempted from work requirements?

Since the Medicaid/Apple Health changes won't happen until late 2026, let's review what Medicaid programs are available now.

# Health Insurance Options in Washington State:

Apple Health is the umbrella name of most of our health insurance programs in Washington State.

## Apply at: [Wahealthplanfinder.org](https://www.wahealthplanfinder.org)

- **Apple Health Adults (19-64)**
- *Apple Health Children (0-18)*
- *Apple Health Pregnancy*
- *Apple Health-After Pregnancy*
- *Apple Health COFA Islanders*
- *Apple Health Alien Emergency Medical (AEM)*
- *Apple Health Expansion (Non-Citizens)*
- *Qualified Health Plans (QHP-Private Plans)*

## Submit paper application to Health Care Authority:

- *Apple Health Family Planning*

## Department of Social & Health Services (DSHS) [Washingtonconnection.org](https://www.washingtonconnection.org)

- *Aged Blind Disabled -Classic Medicaid*

Although  
Medicaid  
changes  
are months  
away, what  
can we do  
now?

---

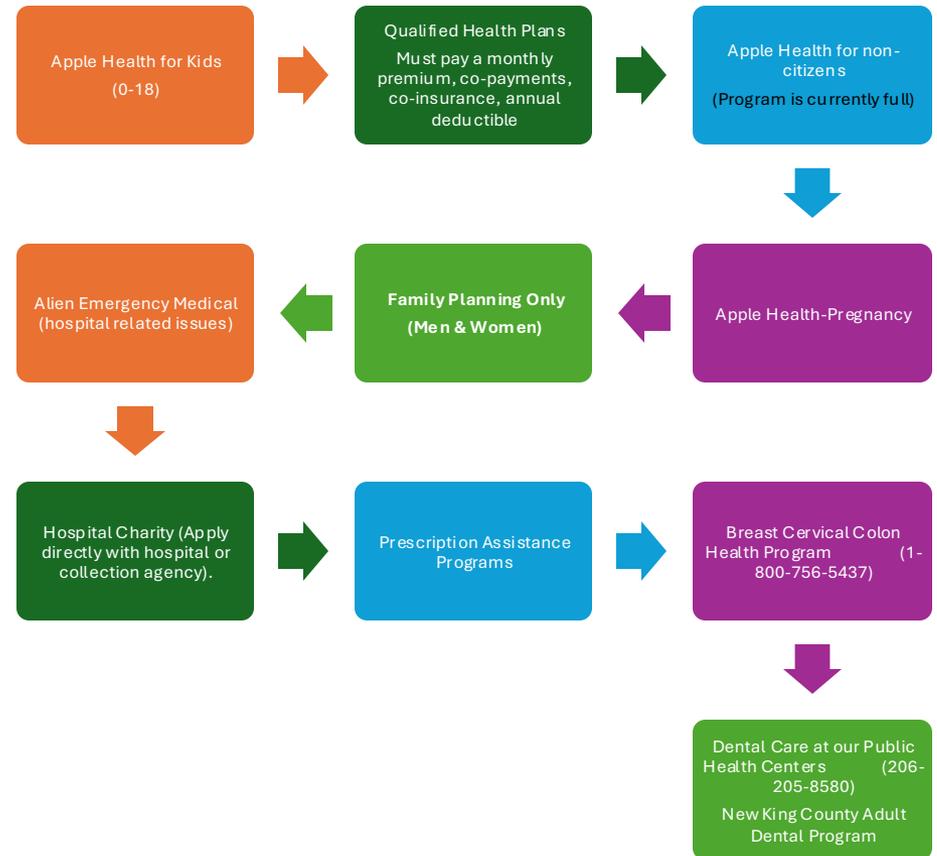

Tell your clients to continue to apply for Apple Health for adults. And all Apple Health programs.

---

Were working with HCA to determine what does it mean to be “medically frail”. Once we know, we can work with clients to get them exempted.

---

# What about clients who are non-citizens are they eligible for any programs?

What happens a client is over  
income for Apple Health?  
Or not eligible due to  
citizenship?

They can go shopping for a private health plan.....Qualified Health Plan (QHP).

---

In King County, we have 10 health insurance companies and 63 health plans to choose from.

Unlike Apple Health, a **QHP isn't free.**

Residents (in most cases) will have a monthly premium, co-payments, co-insurances & annual deductible.

Non-citizens who are Washington State residents **can purchase a QHP.**

**There will be limited premium assistance through a Cascade Care Assistance program & Public Health Premium assistance.**

In June Health and Human Services (HHS) who has oversight of Qualified Health Plans, issued their new rules and changes.

Some of those changes have already been implemented.

**Flyer of the changes is attached to your handout.**

## What are we doing now?

- We are sponsoring premiums for DACA clients who are losing their coverage.
- In addition, newly eligible residents with income below 100% of the FPL can have their premium sponsored.
- Residents maybe eligible for the State's Cascade Care Premium Assistance program. Up to \$250.00
- **Health Insurance Open Enrollment is November 1, 2025-January 15, 2025**

**We are here to help you.**

**Community  
Health Access  
Program (CHAP)  
1-800-756-5437**
