ISRD 76/26  
Meeting of 05.12.26

### Staff Report

Board Members Please Note: The citations from the District Ordinance, International Special Review District Design Guidelines, and Secretary of the Interior's Standards listed below are for your consideration in addition to any other citations you find relevant in considering each application.

**Address:** 1032 S. Jackson St.

**Record #:** DONH-COA-02139

**Applicant Representative:** Elena Arakaki, Friends of Little Saigon

**Design – artwork (mural):** Proposed application of a painted and stenciled mural on a 120' long concrete wall along S. Jackson St. Artwork by Stacy Nguyen.

**Staff comments:** When reviewing artwork, the Board considers placement, materials, colors, scale and method of attachment.

### DRAFT MOTION

I move that the International Special Review District Board recommend approval of a Certificate of Approval for a painted mural on the south-facing concrete wall at 1032 S. Jackson St., per the submitted application materials.

The Board directs staff to prepare a written recommendation of approval, based on consideration of the application submittal and Board discussion at the May 12, 2026 public meeting, and forward this written recommendation to the Department of Neighborhoods Director.

This action is based on the following applicable sections of the International Special Review District Ordinance and relevant Standards:

#### **Seattle Municipal Code (SMC)**

SMC 23.66.030 – Certificates of Approval – application, review and appeals

#### **Secretary of the Interior's Standards**

9. New additions, exterior alterations, or related new construction shall not destroy historic materials that characterize the property. The new work shall be differentiated from the old and shall be

compatible with the massing, size, scale, and architectural features to protect the historic integrity of the property and its environment.

**10.** New additions and adjacent or related new construction shall be undertaken in such a manner that if removed in the future, the essential form and integrity of the historic property and its environment would be unimpaired.
