DRAFT MOTION

I move that the International Special Review District Board recommend approval of a Certificate of Approval for installation of 20-25 cigarette butt disposal receptacles in the right-of-way, per the submitted application materials.

The Board directs staff to prepare a written recommendation of approval, based on consideration of the application submittal and Board discussion at the October 13, 2026 public meeting, and forward this written recommendation to the Department of Neighborhoods Director.

This action is based on the following applicable sections of the International Special Review District Ordinance and relevant Standards:

Seattle Municipal Code (SMC)

SMC 23.66.030 – Certificates of Approval – application, review and appeals

SMC 23.66.334 – Streets and sidewalks

Secretary of the Interior's Standards

10. New additions and adjacent or related new construction shall be undertaken in such a manner that if removed in the future, the essential form and integrity of the historic property and its environment would be unimpaired.
