ITEM	DESCRIPTION
4875	FR4325 25" Merchandiser
4874	FR4325 20" Merchandiser
4875	FR4348 47" Merchandiser

FEATURES

- Thermoelectric controlled heat with 60° to 120° 20° to 70° F temp range
- Spacious display table for easy viewing and customer self-serve convenience. Store can be locked.
- Three adjustable shelves for versatile display
- Thermoelectric display for bright, eye-catching merchandising
- Light controlled temperature lights can be used without heat
- 1/8" (1.5 ml) port and plug

DESCRIPTION

The Cayenne Hot Food Merchandiser is the ideal solution for presenting and keeping warm a variety of food products. Available in three sizes, the Cayenne Merchandiser is designed for maximum product visibility. The adjustable interior shelves accommodate a variety of food products. Front and rear sliding stainless doors make restocking easy and are ideal for walk-in applications.

Agency certifications: NSF, UL, ETL
