

## **Application for Temporary Use**

### **Current Use/Vacancy Information:**

Temp Guest Vendor Program Proposed for Arcade #4

Temp Daystall temporary pop-up activation in Arcade #2

### **Written Description of Proposed Use—Temp Guest Vendor:**

Pike Place Market – **Meet the Producer:** Expanded pop-up program for guest vendors

Expand the current guest vendor program to include two tables located in Arcade #4

Vendors will be vetted through current guest vendor program and comply with all the current rules and regulations.

### **Written Description of Proposed Use—Temp Daystall Activation**

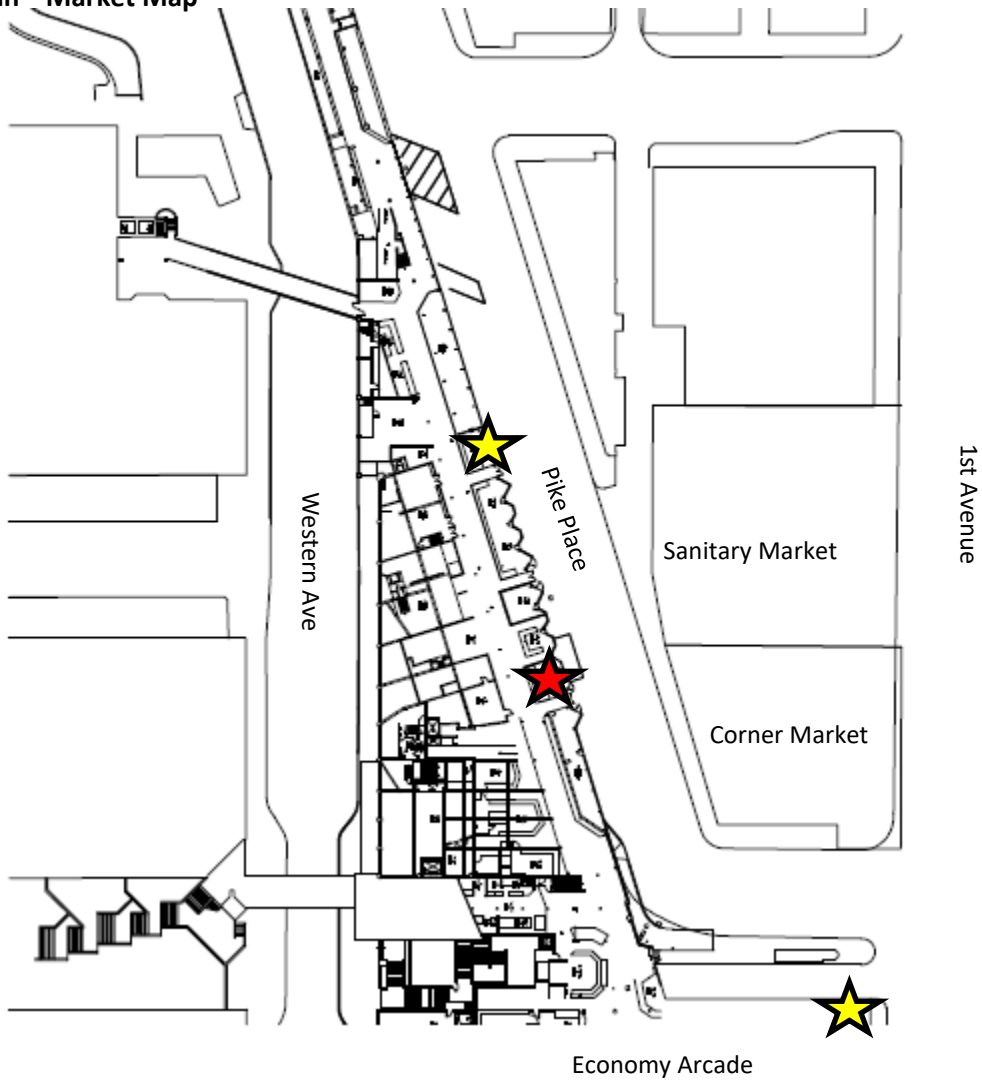

Pike Place Market – **Meet the Producer:** Temp Daystall temporary pop-up activation

We'll be allowing permitted Daystall craftspeople to use the space for demos and sales of their approved handcrafted products, highlighting their handmade production processes and our Meet the Producer tradition.

Two vendors will be allowed to use the space on a weekly basis, launching for Magic in the Market and running through December. Active demos will be a requirement to be involved, as our goal is to promote our Meet the Producer tradition.
