In 2019, a condition placed on COA MHC 93/19 required that if the totem poles were removed during the renovation, that they must be reinstalled prior to the reopening of the park. On December 13, 2023, the commission tabled that portion of the COA, but SPR has recently provided some additional information, and the commission has requested more information from SPR. The commission considered and then re-tabled that portion of the COA on August 28, September 11, and September 25, 2024.</p>
