Seattle Parks and Recreation (“SPR”) submitted COA DONH-COA-01146 that asked the commission, in part, to review and amend Certificate of Approval MHC 93/19 to allow Victor Steinbrueck Park to reopen after renovation was complete but prior to the reinstallation of the totem poles. In 2019, a condition placed on COA MHC 93/19 required that if the totem poles were removed during the renovation, that they must be reinstalled prior to the reopening of the park. On December 13, 2023, the commission tabled that portion of the COA, but SPR has recently provided some additional information, and the commission has requested more information from SPR.

On August 28, 2024 the commission considered and then tabled that portion of the COA.
