| #1 American white elm (Ulmus americana) | 40.5" | Yes |
| #2 Paperbark Maple (Acer griseum) | 1" caliper at time of planting | No - Replant |

Arborist Consulting

For projects that require additional documentation, tree assessment, permit assistance or other arborist consulting services, Seattle Tree Care offers these services by an ISA Certified Arborist & Tree Risk Assessment Qualified professional at an hourly rate of \$185 per hour. You will be given a time required estimate before we proceed. Total billing encompasses site visits including travel time, up to a Level II visual assessment of the tree and property, off-site report writing, documentation and municipal permit application. This does not include any municipal permit fees, which will be billed separately.

Price listed is an estimate. Final cost is determined by the time to complete the permit application and the Municipal fee.

Fees are calculated in 1/4 hour increments.
