Staff Recommendation

The Landmarks Board Coordinator acknowledges there is some interesting cultural history associated with the property, but does not believe it meets the criterion of Designation Standard C.

- C. *It is associated in a significant way with a significant aspect of the cultural, political, or economic heritage of the community, City, state or nation.*

The coordinator also acknowledges that the building has distinctive visible characteristics of an architectural style and period of construction as associated with Designation Standard D, but is concerned that the property may not rise to the level of a landmark.

- D. *It embodies the distinctive visible characteristics of an architectural style, or period, or a method of construction.*

Approval of Nomination

If approved, a public meeting would be set for 30-60 days from nomination to consider the designation. During this time, the Board and staff may amend the nomination form. From the time of nomination, Subchapter VI of SMC 25.12 shall apply. This section requires a Certificate of Approval for alterations or significant changes to the features proposed for preservation. Following Board approval of the nomination (or designation) the owner may give written notice of a desire to confer and consult with the Board and Board staff to reach agreement on specific features to be preserved and methods to achieve such preservation. A timetable is established by Board, Board staff and the Owner. This written request by the Owner is the only procedure which may alter the time requirements or the public meeting on designation.

Disapproval of Nomination

If the Board fails to approve the nomination, no new proceeding may be commenced for a period of 5 years without the written agreement of the Owner.

Deferral of Consideration

The Board may defer consideration. Adequate notice should be given to all parties about when the matter is to be reconsidered. Once nominated, the Board must follow the procedures of SMC 25.12 and approve or disapprove the designation.
