The page features the Seattle logo and the title "Seattle Services Portal". A navigation menu includes "Home", "My Records", and "Help". In the top right corner, there are links for "Register for an Account", "Reports (2)", and a green "Login" button. The main content area is titled "Search All Records" and includes a search instruction: "Search is now more precise. Enter your exact record number or address. If you aren't sure, try using the wild card % symbol. For example, %0001546 or %Fremont. Do not use punctuation in addresses." Below this is a search form with two input fields: "Record Number:" and "Address:". The "Record Number:" field is highlighted with a yellow border. At the bottom of the form are "Search" and "Clear" buttons.

On the right side of the header, there are links for "Register for an Account", "Reports (5)", and a "Login" button. The main content area displays the record number "3026544-LU" and the title "Master Use Permit". Below this, it shows the record status as "Issued" and the expiration date as "01/03/2023". A "Record Info:" section contains several tabs: "Record Details", "Status", "Related Records", "Attachments" (which is highlighted with a yellow box), and "Inspections & Appointments". Below the tabs, there is a "Payments:" section with a "Fees" link. The "Attachments" section is currently empty. At the bottom of the page, there is a blue informational box with a warning icon and text: "Do not use this page for submitting materials unless instructed to do so by SDCI staff. To submit materials for permit application intake, addressing corrections, or responding to a SDCI request for more information, use the 'Make Changes' button next to the respective record on the My Records page. This action ensures that your materials are promptly reviewed by SDCI staff."

COMMENT ON A PROJECT

The screenshot shows the Seattle Department of Construction & Inspections website. The browser address bar displays <https://cosaccela.seattle.gov/portal/Customization/SEATTLE/Welcome.aspx>. The website header features the Seattle logo and the text "Seattle". Below the header, there are several service categories, each with a title, a brief description, and a representative image:

- Permits - Trade, Construction & Land Use**: Get permits for construction, land use, and installing equipment (electrical, mechanical, refrigeration, etc.).
- Public Comments**: Comment on city projects related to building, construction, land use, and more. Commenting is available during the public comment period. (This section is highlighted with a yellow border in the image.)
- Public Utilities - Development Services**: Request certificates and reviews for public utility development services, water availability, plan reviews and water and wastewater manager determinations.
- Rental Housing Registration (RRIO)**: Register or transfer ownership of registration as part of the Rental Registration and Inspection (RRIO) program. RRIO helps ensure that all rental housing in Seattle is safe and meets basic housing maintenance requirements.
- Tenant Assistance (EDRA)**: Request financial assistance to help you move to a new home when your rent has been raised by at least 10% in a year. This program is available for low-income qualifying tenants.
