Selecting a Fiscal Sponsor:

If the neighborhood organization does not have the capacity to function as its own fiscal sponsor, it must:

- Contact an NMF Project Manager to discuss how to identify organizations who might serve as a fiscal sponsor.
- Contact prospective organizations to request and discuss fiscal sponsor services.
- Negotiate a scope of work and fee for fiscal sponsor services. NMF generally supports
 fiscal sponsorship fees that are between 5% and 10% of the total award amount. Please
 consider the project complexity, the length of your project, and any other relevant
 factors when negotiating and evaluating proposed fees. Contact an NMF Project
 Manager for more information about evaluating proposed fees.
