MEETING DEBRIEF

Introductions Facilitator Toi Sing Woo and the Foundation for International Understanding Through Students (FIUTS) join the Seattle Youth Commission in their second Racial Equity Workshop. FIUTS connects students through diplomacy, dialogue, and action. The students who joined SYC are from Peru and Bolivia.

5:00-5:55 Facilitator Toi Sing Woo went over local data and disparities and connected said information through a racial equity lens. She also observes other characteristics, such as LGBTQ+ affiliation and experience in the foster care system.

5:55-6:25 Youth split up into five different groups to discuss local data, local disparities, intersectionality, homelessness, and race. They regrouped and shared their discussions. After the discussion, the conversation was directed towards the issues regarding youth in Seattle now.
