Re: 2020OPA-0288

CERTIFICATION:

OIG has reviewed the EXP INV for 2020OPA-0288 and certifies it as timely, thorough and objective. However, OIG is concerned that the Complainant was not provided with sufficient time to participate in an interview with OPA prior to OPA's submission of this investigation for review. Because the Complainant does not appear to be overtly under the influence in the BWV, please therefore reconsider this intake should the Complainant provide additional information to demonstrate how their arrest was based on bias related stereotypes. Thank you.
