OIG Certification Memo

OIG has reviewed the investigation for case number 2021OPA-0448. this investigation is certified as thorough, timely, and objective.

OIG notes that, according to OPA, the interviews for this case are still awaiting transcription. Once received, the transcriptions will be uploaded to the electronic case file for 2021OPA-0448.

Lastly, OIG was able to accommodate the limited amount of time given to review this case as the 180-day deadline expires 5/28/2022. In the future, OIG expects that cases are submitted for review sufficiently in advance of investigation deadlines in order to allow the deadlines to be met in the event OIG directs additional investigation.
